

Vernonia Council honors students, approves Airport Ordinance

The March 7 meeting of the Vernonia City Council started with an award presentation to Mrs. Campbell's fourth grade class from Washington Grade

School. The award was in appreciation of the students' work in designing "Welcome to Vernonia" brochures.

The Council meeting was

then adjourned and a public hearing on the Property Maintenance Code was opened. Citizen Helen Johnston spoke in favor of the proposed code, no

one spoke in opposition. The hearing was closed and the regular meeting re-started.

George Tice invited everyone to the Vernonia Drug Free Community Coalition's special meeting on Marijuana and the Youth of Vernonia being held March 14.

Council unanimously approved a new Airport Ordinance, and heard Mike Seager's concerns on the proposed Airport Leases. Because the leases are set to be paid on a quarterly or yearly basis, Seager raised a concern that other airports...and this airport up to now...have had month-to-month leases which make paying easier. The Council then unanimously approved the lease agreements as written.

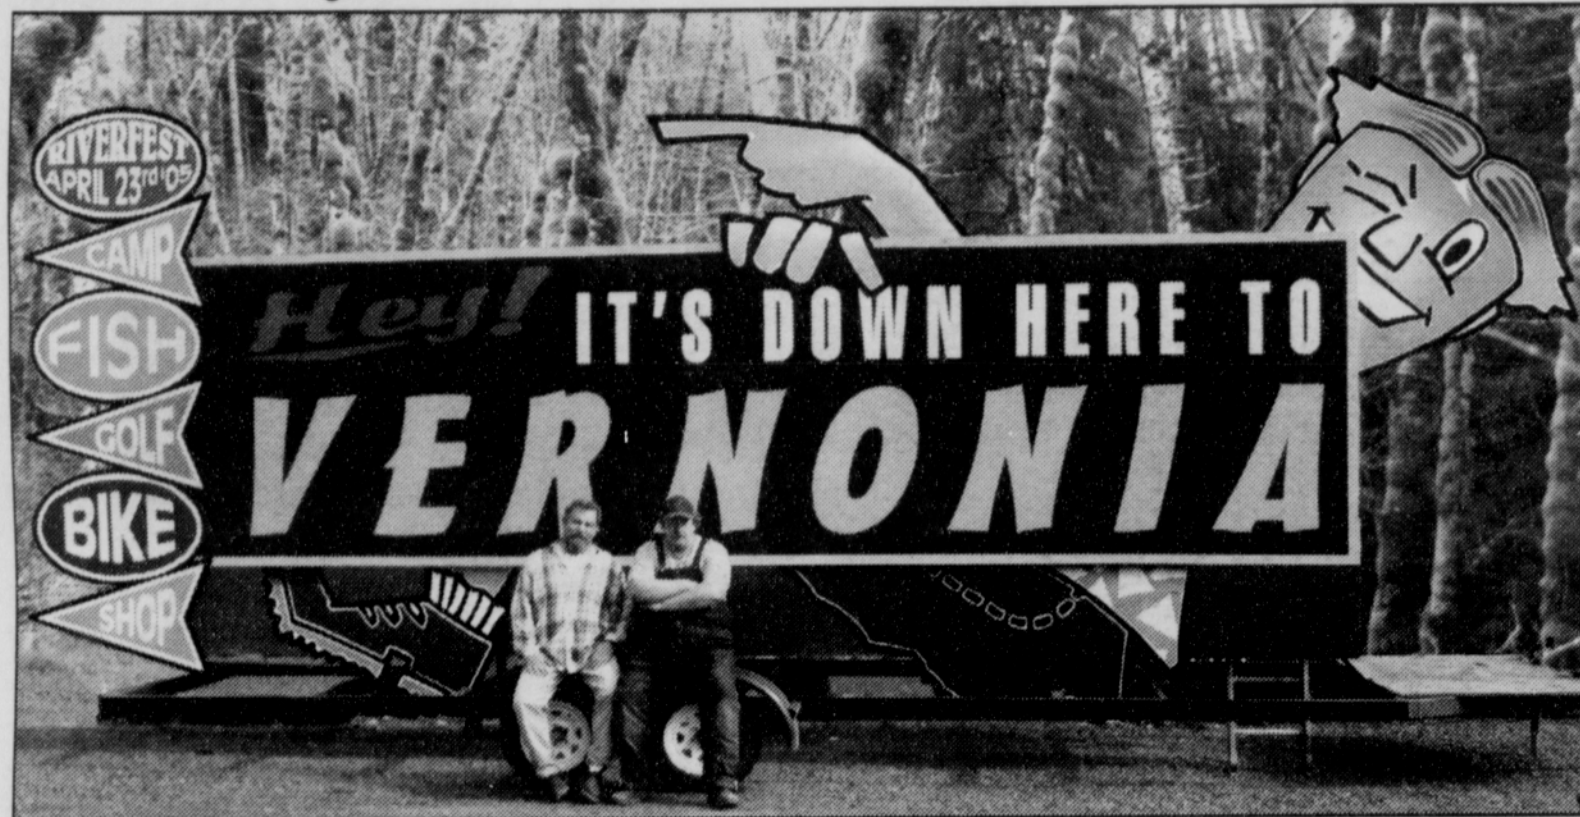

UNAVCO, Inc., PNW Plate Boundary Observatory requested the use of 25 square feet of space at Airport Park to place GPS survey equipment which will be used to observe earth

movement as part of a network along western North America. The Council unanimously approved the request.

City Administrator Robyn Bassett reported that property purchase is complete and plans are underway for to build a restroom/concession building for Spencer Park.

Council approved a request from Carol Curl and Karen Mask to extend City water to 60662 Nehalem Hwy., N., just

The sign is a project of the city marketing committee and will soon be seen by travelers on Highway 26. It was funded by a grant from the state.
