**Now you can enjoy being pampered at "Where It's All About You"**

**Nichole Mattison, Doya Davis, Amy Siadal and Lori Virden are ready with a variety of relaxing personal services.**

No longer must area residents leave the area for a luxurious spa experience. "Where It's All About You" has opened on Main Street in Banks.

Although called a mini spa, Where It's All About You boasts a broad range of offerings including manicures, pedicures, acrylic/gel enhancements, facials, waxing, eyebrow and eyelash tinting, microdermabrasion and massage. These personal services are offered in a beautiful setting with a truly peaceful ambiance.

Owner Lori Virden spent nearly 12 years working at the Hair House in Forest Grove before deciding to take the plunge and open Where It's All About You in her hometown.

Virden wants to educate

consumers on the hazards of not properly sanitizing pedicure tubs, the dangers of nail drills and the importance of not using products that contain MMA. She has great expertise in applying natural looking nail enhancements with minimal damage to the nail plate.

Nichole Mattison specializes in waxing, lash and brow tinting, facials and microdermabrasion. She received her education at Northwest College of Hair Design and worked for a day spa in Hillsboro before joining Where It's All About You.

Doya Davis brings her skills as a manicurist after spending six years at The Hair House. A lifelong resident of Banks, she will be specializing in gels enhancements, spa pedicures

and natural nail manicures for men and women.

Amy Siadal offers a variety of bodywork services including Swedish/relaxation, deep tissue massage and stretching, as well as muscle rehabilitation for injuries and chronic pain.

She believes massage therapy is a valuable part of wellness and recovery programs, and with her varied training, strives to meet each individual's needs and preferences. Siadal is a licensed massage therapist with degrees from University of Ore-

gon and East West College.

Stop by and see what this team of women can do for you! The spa is open Monday through Friday, 10 am to 6:00 p.m., and Saturday from 9:00 a.m. to 2:00 p.m. Their phone number is 503- 324-9404.
