

# Vote YES for More Deputies and Safer Communities.

In Columbia County, we urgently need more deputies and stronger law enforcement to keep our communities safe. Please join us, vote **YES** on Measure 5-143 to create the Enhanced Law Enforcement Operating Fund for Columbia County.

It will be the first separate operating fund **completely dedicated to law enforcement** and our Sheriff's Office. This fund can only be used to enhance law enforcement throughout the county. A **YES** vote means the sheriff can add up to 13 new deputies, more than doubling the numbers patrolling our roads 24 hours a day, investigating major crimes and addressing the frightening increase in meth and other drug activity.

Now is our opportunity to vote **YES** for more deputies, stronger enforcement and safer communities. Please join us, your friends and neighbors voting **YES on 5-143** – for stronger law enforcement in all of our communities:
