would someone be purchasing copies of these tapes? More than likely they are being purchased by sexual predators or pedophiles. If you see suspicious activity around juveniles you can call the police and we can check into the situation to make sure everything is all right. Make sure your children know to tell you or the police if a stranger asks to take their photo or wants to videotape them.

More lightning safety precautions

From page 8

Stay Safe While Inside!

Avoid contact with corded phones and electrical equipment. Phone use is the leading cause of indoor lightning injuries in the United States.

If you plan to unplug any electronic equipment, do so well *before* the storm arrives.

Avoid contact with plumbing. Do not wash your hands, do not take a shower, do not wash dishes, and do not do laundry.

Stay away from windows and

doors, and stay off porches.

Do not lie on concrete floors and do not lean against concrete walls. Concrete floors and walls usually contain rebar or other reinforcing metal.

about what to do in the event of severe weather or any major disaster," said Pennington. A good place to start, he suggested, is to obtain the "Are You

Ready?" in-depth guide to preparedness. It may be obtained by downloading it from either www.ready.gov or www.fema.gov or by calling 800-480-2520.

FEMA is responsible for managing federal response and recovery efforts following national incidents. FEMA also initiates mitigation activities, works with state and local emergency managers, and manages the National Flood Insurance Program.
