

Fourth Salmon Festival a hit, particularly with young

Vernonia's 4th annual Salmon Festival, on October 7, saw a good crowd and good weather. It rained the day before and the day after but not on Saturday. There were expanded activities for children, including an interactive maze and 'stations' with activities for them. As always, the pumpkin carving and scarecrow building were popular with families and the "Knee Deep in Salmon" auction was popular with the adults.

Our values.
Our State Representative.

Brad Witt

We need someone in Salem who knows what's important to us: Good paying jobs, good schools for our kids, a safe community and a healthy environment.

That's why we need Brad Witt.

Cut out wasteful government spending.

Brad Witt supports aggressive audits of state programs to uncover waste. Brad also wants to give state agencies incentives to find efficiencies in their budgets and use the savings for public education and health care.

Make health care accessible and affordable.

Brad Witt is fighting to make health insurance available for purchase "at-cost" by all Oregonians through the Oregon Health Plan. He also supports making more families eligible for bulk discounts on lifesaving prescription drugs.

Put school funding in the classroom, where it belongs.

Brad Witt will use the combined strength of Oregon's 198 school districts to reduce their individual health insurance costs. His plan puts the \$100 million savings into our classrooms, where it will do the most good.

Keeping our communities safe.

Brad Witt has *already* passed legislation aimed at getting meth addicts, drunk drivers and sex offenders off our streets, and he's added more judges to get the job done. Next, he's going after ID and account theft, internet sex solicitation and heinous animal abuse.
