Answer to December 7 puzzle

The Dreidel Game

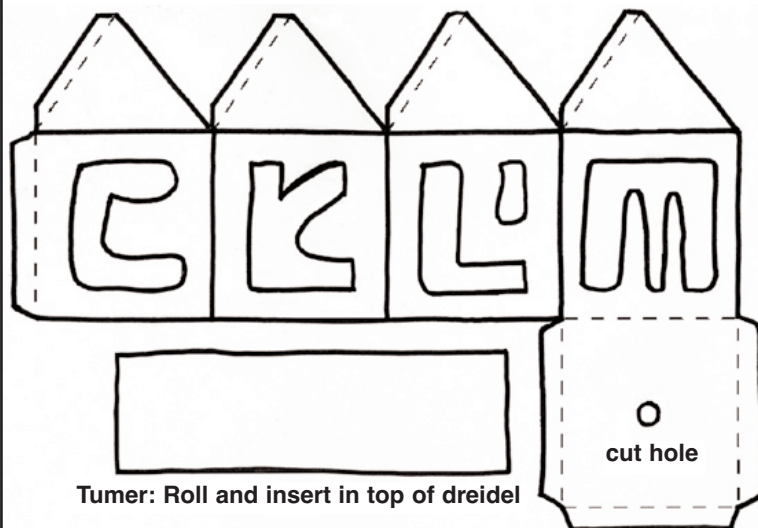

The four letters which appear on the four corners of a dreidel are a reference to the miracle of Hanukkah.

To make dreidels: Trace the dreidel pattern on poster board, color and cut out. Glue or tape dreidels together, fitting the small rolled-up turners into the tops to enable them to spin. Make enough for everyone to have his or her own dreidel. Pass out an equal number of raisins, candies, or peanuts to each player.

Play the dreidel game using the following rules: Each player puts one raisin, candy or peanut in the center. Then the first player spins the dreidel. If it lands on:

- Nun - the player does nothing
- Gimel - the player takes everything in the center
- Laf - the player takes half
- Shin - the player puts one item in

Before the next player spins, everyone puts another piece in the center.

Turner: Roll and insert in top of dreidel

The future belongs to those who believe in the beauty of their dreams.
