

A letter to our community

Take a look at the opposite page. It shouldn't take too long to see what's there or what isn't there. Now compare that to any other page in this publication. The difference between the opposite page and other pages is the difference between not having a local community paper and having a local community paper that provides the news and information that you really use. Now if you could take a moment to calculate what your costs are for this valuable resource. \$1.00, 50¢, 25¢? You probably already know the cost to you is nothing. **The Independent** is **100% FREE** and has been for over 22 years. We work hard to give you so much for so little. So we are asking for something from you. Please support our advertisers who not only make this newspaper possible, they also keep it free!

Sincerely,
Clark McGaugh
