

Oregon boards and commissions need volunteers to help state

State boards and commissions have an incredible impact on life here in Oregon.

Many have the authority to develop and modify regulations that affect our lives. Others

are responsible for interpreting and enforcing a variety of laws and regulations.

Appointments to nearly 200 boards and commissions are made by the Governor and many of those must be confirmed by the Oregon Senate. Service on these boards and commissions can be a rewarding experience. If you would like to find out more about ways you can involve yourself please see the website <http://governor.oregon.gov/Gov/>.

that interests you, look at the Vacancy List at <http://governor.oregon.gov/Gov/pdf/forms/avacancy.pdf> maintained by the Governor's office to see if the post is, or might soon be, open.

To apply for a position on a state board or commission you must complete an Interest Form which can be found on the website.

Connection of a generator to house power requires a transfer device to avoid possible injury to power company personnel. Consult a qualified electrician. For optimum performance and safety, we recommend you read the owner's manual before operating your Honda Power Equipment. (c) 2006 American Honda Motor Co., Inc.
