A helicopter in Town explained

Did you see or hear the helicopter land on Cherry St., Vernonia, on October 6? Did you wonder what was going on?

The helicopter brought Marc Farmer to a very carefully planned 50th birthday party. The family had orchestrated a M*A*S*H party, complete with tents and Army dog tags. His birthday present was a Juke box.

Looks like November 3 at 7:00 p.m. is going to go in my calendar; how 'bout yours? Professional D.J., refreshments, '50s style dance lessons for all of us that go, wearing our socks or saddle shoes only please. So "OH BOY!" dig out those shoes and Buddy Holly glasses, and come to the Vernonia Grange, 375 North Street. Cost: \$3.00 adults, \$1.00 kids. Info numbers, To-

P.S. I don't need to say farewell to the '50s decade until next summer, but, hey, this sounds like just the ticket to start my celebration! Any other locals just entering their sixties, see you November 3!

Speaking of getting older: How did Richard Nixon feel with his notable senior moment? When he arrived in France for the funeral of French President George Pompidou in April 1974, his mind must have been elsewhere...at the airport, he declared with exuberance: "This is a great day for France!"

If you know of a senior who would like a visit from the Senior Advocate or has any senior needs and concerns, call our office.
