chased. I was more than pleased with the timely manner in which the project was completed and I can not say enough about how friendly and understanding Mr. Meyer was as he went above and beyond the call of duty to explain to me step-by-step procedures and even how to care for the new paint in the future.

I would like it to be known

that such professionalism in the auto industry is right here in Vernonia.

Huhtala will oppose

Witt in Dem. primary

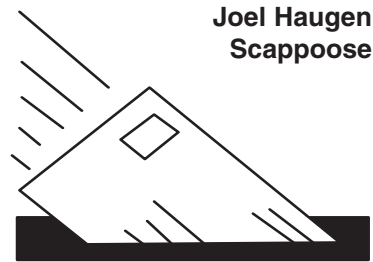

To the Editor:

I was delighted to learn that Astoria resident Peter Huhtala will be contesting Representative Brad Witt in the District 31 Primary next year! While I feel that Mr. Witt has done some good things for for the district, I view Mr. Huhtala as a significantly better representative in terms of intellect, vision for the

future, and ability to work collaboratively across party lines.

He has my unqualified support in the 2010 primary and general elections!
