throw competition.

Women may compete in Women's Bucking and/or the Women's Hard Hat Toss, or in open events.

After a hot competition, the participants cool off with the water events; pole walk, boom stick run and burling, on (and sometimes in) Rock Creek.

The Logging Show is even older than Jamboree, having started three or four years before the first Jamboree in 1957.

Registration will be from 10:00 to 11:30 a.m. Caulk boots are required; contestants operating power saws must also wear chaps.

If the sun is shining, be sure to bring water and sunscreen as the spectator area is in full sun during part of the show. Please be careful to stay clear of competitors and pay attention to show officials.
