

Help raise \$\$ for VHS Prom *Controlled hunts entries may win a Sports Pacs*

This year's Vernonia High School Prom will take place at Pumpkin Ridge Golf Course, on Saturday, April 21.

The class needs to raise money for the event and according to Class Advisor Lisa Edgar, "Thanks to Jennifer Hummel and the awesome group at Logitech in Vancouver, we have a huge prize bundle of computer and other electronics that retail for more than \$500, to raffle off." Raffle tickets can be purchased at all home basketball games or at Vernonia Florist. Tickets are \$1

each or six for \$5. The winner will be announced at the last home basketball game with Faith Bible on February 9.

You can also purchase a Logger Throw Blanket (can be seen at Vernonia Sentry or Vernonia Florist), a \$40 high quality woven blanket, a great gift idea for the upcoming grad or foreign exchange student. They can be purchased at home basketball games or at Vernonia Florist.

And last but not least, Mrs. Allens Art class has been working on decorating chairs for an auction to be announced soon. These artistic students have taken old peices of furniture and turned them into art.

Any questions please call: Lisa Edgar, Jr. Class Advisor 2011-12 at Vernonia Florist, 503-429-2000.

Sales of this throw help raise money for the Vernonia High School prom. See article above for other ways to help.

Return your ballot by January 31 – Make your vote count!

Apply for a fall big game controlled hunt by January 31 and you will be entered into a drawing to win one of fifty 2013 Sports Pacs (a \$164.75 value).

For the third year, ODFW is awarding a total of 100 Sports Pacs among the pool of hunters who apply for and are issued a fall big game controlled hunt application before April 15. While residents receive a Sports Pac, non-residents selected in the drawing will win a hunting license (a \$140.50 value).

The purpose of the drawings is to encourage hunters to apply for controlled hunts early, well before the May 15 deadline. The sooner hunters apply, the better their chances of winning one of the three drawings:

- 50 Sports Pacs (or Non-Resident Hunting Licenses) will be awarded among pool of hunters that apply between Dec. 1, 2011 and Jan. 31, 2012.
- 30 Sports Pacs (or Non-Resident Hunting Licenses) will be awarded among pool of

hunters that apply by March 15, 2012.

- 20 Sports Pacs (or Non-Resident Hunting Licenses) will be awarded among pool of hunters that apply by April 15, 2012.

A Sports Pac includes a Combination Angling/Hunting/Shellfish License, a Combined Angling Harvest Tag, a Validation for Upland Bird and Waterfowl hunting, plus a General or Controlled Deer, General or Controlled Elk, General Cougar, General or Controlled Bear and Spring Turkey Tag.

The drawings will take place February 1, March 16 and April 19 and winners will be notified by mail. Hunters unsuccessful in the first or second drawing will be re-entered into future drawings. Only one entry per hunter is allowed, meaning that hunters who apply for several controlled hunts will still be entered only once. Controlled spring bear hunt applicants are not eligible for the drawing.

Hunters may apply for controlled hunts online, at a license sales agent, at ODFW offices that sell licenses, or by mail or fax using the fax or mail order application (also found on page 17 of the 2012 Oregon Big Game Regulations).

Mail order/fax applicants should allow 7-10 days for their applications to be processed and issued. Remember, to be eligible for the drawing, the controlled hunt application must be issued, not just received, by the drawing deadlines (January 31, March 15 and April 15). Controlled hunt applications can be processed and issued immediately online, at license sales agents or ODFW offices.

The deadline to apply for a controlled hunt is May 15 each year. In 2011, 79,481 out of 380,639 total applications, or almost 21 percent, were processed by April 15, 2011. That compares to 21 percent in 2011 and 16 percent in 2010.

"Most controlled hunt applications are received during the last few days," said Deanna Erickson, ODFW license sales services manager. "However, these drawings have increased the number of early applicants.

In the past, the high volume of sales activity in the last few days prior to the deadline led to long lines and slowed or crashed the system.

The vendor that manages the license sales system is purchasing the Sports Pac and Non-Resident Hunting Licenses for the winners.
