

On June 8, the staff and students of Washington Grade School were encouraged to wear red and black for this final picture in front of the school. The school will be demolished starting in July and classes in September will be held in the new school building on Missouri Ave. The new building will house Kindergarten through 12th grades. Wood Pellet Grills

GRILL GREEN

Food Tastes Better On America's BEST Smoker

- **Auto-start System**
- **Fully Automatic**
- **Smoke, Grill, Bake and Barbecue**
- **12 Varieties of Hardwood Pellets**

Traeger BBQ Pellets are made from 100% recycled hardwood sawdust. Traeger Pellet grills LLC is a leader in the reduction of wood waste. In partnership with sustainable wood suppliers, Traeger adds economic value to materials that were once considered "waste," creating new business, products and jobs. This use of sawdust, previously burned or placed in landfills, results in significant economic, social, and environmental benefits.
