The Vernonia Jamboree Committee would like to thank everyone who participated in the parade. It was very well received and everyone did a fabulous job!

This contestant had the 'pole walk and slip' experience during the Pole Walk & Snip event at the Jamboree Logging Show. Photos by Curtis Knight.

Ridge Riders Jamboree results

The winners of the belt buckles for the Vernonia Ridge Rider Jamboree Play Day were Daisy Sue Hays (age 6 and under), Sheyanne Pederson (age 10-14), Mackenzie Volk (15-20), Lee Hays (21-45) and

Leslie Zimmer (46 and older).

The next Play Day is scheduled for Saturday, September 15, with signups at 10:00 a.m. and events starting at 11:00 a.m.

Council okays money for Master Plan

From page 4

The council approved an amendment to the Cooperative Improvement Agreement between the Oregon Department of Transportation (ODOT) and the City of Vernonia regarding completion of the work being done on Missouri Ave. and Texas Ave. in preparation for the opening of the new school.

City Administrator Bill Haack was given authorization to contract with Tetra Tech to update the city's Master Capital Plan (MCP). The expected cost is \$68,111, split between Tetra Tech and Daniel Hefferman Company. The initial MCP was

done in 1999. A recent scoping exercise done by Tetra Tech, for \$10,000, found the MCP to be out of date, with no consistent guidance, that it is not a reliable planning document, and that the System Development Charges (SDCs) are out of date. The money for the update will come from contract services and contingency lines in SDC funds for parks, water, sewer, storm and streets.

Council gave approval to Jeff Burch, Public Works Foreman, to go ahead with his plan to use asphalt grinding to repair portions of A and B Streets. This method will cost less than

half of the normal paving methods used and, it is hoped, will be a good method for use on streets with only local access traffic.

Resolution No. 29-12 establishing a Public Works Committee was approved. The council worked earlier in the year to standardize the committee frameworks and the committee has now reviewed and accepted the new committee language.

The next regular council meeting will be held August 20, starting at 7:00 p.m. at city hall.

Attend Jamboree wrap-up meeting to discuss next year's event

The Vernonia Festival Committee will hold a Jamboree wrap-up meeting September 13, at 6:00 p.m. in city hall.

The Festival Committee is also continuing to work on the Salmon Festival and Christmas in Vernonia.

January will begin the new

year for the Festivals Committee and for bringing in new officers.

All those interested in discussing this year's Jamboree, or in helping with future Jamborees or other festivals are encouraged to attend.

Logging Show results from Jamboree
