A CATHOLIC ROASTS THE JOURNAL MAN

The following letter has elements which make it bad to publish and we were puzzled at first whether to put it in print or not, but for the sake of the good it might do in showing the condition of a Catholic mind we allow it to go in:

Silverton, Ore., Aug. 8, 1914.

JOHN HOSMER
City.

Sir:—

Relative to the shameful and slanderous article in your last issue regarding the dedication of our Catholic Church here I wish to express my sentiments towards you and the dirty, filthy and immoral sheet of yours, the Silverton Journal.

I am no subscriber of it (thank the Lord), but by chance saw it, and you can take it from me that I have very little respect for such a poor, simple specimen of humanity that goes around seeking false, slanderous and immoral news for publication to create enemies and bad feelings among people, in fact any old thing just to get the almighty dollar.

You call it a free press, now John, what are you trying to hand us, or putting the wool over our eyes? All you do is slander the Catholic Church. Why don't you go after other religions? Too many people belonging to them and afraid of your scalp or loss some trade? Now, John, on the level isn't that the game?

Further I see you have the U. S. Flag on one of your pages and I must say that you sure have your nerve, for its a disgrace to the flag to be in such a vile sheet that opposes true Americanism. You pretend to be a Socialist and preach it, then by the Gods above why don't you live up to it and put that emblem in your paper instead of the Stars and Stripes and don't be two faced or a coward, all of which goes to show the principles of a (Man) and what he will do for the long green.

Last week the Catholic Chapel Car was here all week and the Rev. Wm. Kane would gladly have answered any questions put to him pertaining to the Catholic Church, and surely expected your Royal Highness present, but no Johnny was in sight, afraid of himself or flew the coop, and as soon as it is gone he barks like a

When the Catholic Church was dedicated last Sunday, we also looked for you, but no, again (just like yourself) his Nibs was nowhere, ducked his nut and beat it out of town, I presume, and you (JOHN HOSMER) wants to be a guardian of liberty, fearless and brave, BAH. Say John, you want to put the soft pedal on that kind of spiel, for it's Stone Age stuff and don't go around us Wisenheimer.

I honestly believe the Devil himself if he were to read that paper of yours, it would give him the Ha, Ha, to see the fishy and punky also filthy and slanderous dope that little Johnny puts in that great and magnificent paper of his, the Silverton Journal, and all for greed of the small change (no doubt the change does you good) that he gets out of it.

Well, old man, I guess this is handing it to you rather stiff and strong and straight from the bar but such is the way of my thinking, and if you would stir up that old Dome of yours, may be you would think likewise, and I think I am about there, Eh John?

One more pointer, John, and that is, whenever you meet me on the street or anywhere else, for the love of tripe don't speak to me, because the people might think I know you, and hully gee I wouldn't like that.

I suppose you will put this in your paper. Well, go to it, Ish ka bibbel, but don't forget to put the name of the Guy that wrote it.

No doubt, you will reply to this, but for the love of suffering humanity, don't rub it in too hard, but slip it to me gently.

Charles J. Lais.

Our paper is a real free press and you are now using it to express your thoughts, although you are calling the editor, who never personally harmed you, very bad names. Father Moore used the paper and it is open for all. The almighty dollar has nothing to do with our principles and we are very far from acting on a money policy. We have sunk everything we have earned and now find ourself in debt. We are after the truth, so as to help all the people out of slavery.

We are not slow to condemn wrong in other churches or anywhere we find it. But other churches are not an immediate menace to our government as is the Roman Catholic Church; they do not uphold the public schools; they do not do a wholesale swindle business; their preachers do not protect each other in crime; they do not keep their members in ignorance by forbidding them to go to other churches; they do not declare children illegitimate if not born in the church, nor do they send you to hell if you are not baptized under their immediate supervision. We innocently published an affidavit of a preacher and the Catholic Church sued us and had us arrested. In trying to defend ourself we discovered

so much rottenness in the church that we concluded it to be our duty to try to awaken the people to the awful danger.

Socialist, as we understand it, believes in the flag, the stars and stripes." The Catholic Church cross is above the flag on all their insinuations, but the Socialist banner only indicates the brotherhood of man which is not against the principles for which "old glory" stands.

WHO IS A SOCIALIST?
THE VOICE

Who tries to formulate or aid a plan to better earth's condition? It is he Who, having ears to hear and eyes to see,

Is neither deaf nor blind when might, rough shod,
Treads down the privileges and rights which God

Means for all men—the privilege to toil,
To breathe pure air, to till the fertile soil,

The right to live, to love, to woo, to wed,
And earn for hungry mouths their need of bread—

The Socialist is he who claims no more
Than his own share from generous nature's store,

But that he asks, and asks, too, that no other
Shall claim the share of any weaker brother,

And brand him beggar in his own domain,
To glut a mad inordinate lust for gain.

The Socialist is one who holds the best
Of all God's gifts is toil—the second rest.

And that all men learn the sweets of labor
And that no idler fatten on his neighbor.

That all men be allowed their share of leisure
Nor thousands slave that one may seek his pleasure.

Who on the Golden Rule shall dare insist,
Behold in him the modern Socialist.

To protect those principles is the reason we fight Roman Catholicism and those who know us best know we are not two faced or a coward. To prove this, friend Lais, we hereby invite you to arrange for a debate between any of your priests (even the pope) and the editor of the Journal on the subject of Catholicism vs. Protestantism or Catholicism vs. Socialism or Catholicism vs. Prohibition or almost any subject that is satisfactory to our opponents. Let the debate be here in the opera house, in the Catholic Church, any other church, at the Mt. Angel Convent or Monastery or in New York City. Don't you think that there is a drop of cowardice in our blood. Rev. Wm. Kane couldn't answer anything. Any tramp you can pick up on the R. R. track could answer questions better than he can.

He is an educated (doodle) or a fraud and his Holy-Chapel-Car-Show isn't worth time to go to. But that is not the reason we did not go. We really wanted and intended to go, but we have only one man besides ourself in the office and we often work way up into the night and did not have time to go. Lack of the "long green" and not for gold, dear Charles, is what keeps us away from many pleasures.

Be not deceived. Your insinuations and accusations are false and as to the stone age we plead "not guilty". We feel sorry that such a good man, as Charles J. Lais appears to be, can not be our friend. We have nothing against such and are only working to get at the truth of things which we all know is necessary to give us liberty. We are an enemy to Catholicism because it makes enemies of good people. There is an awful gulf between the thought world of such men as we are and really "we should worry." We ought to get at the truth, and "for the sake of suffering humanity," in conclusion, we will slip an idea to our friend, the enemy, gently as he requests. We have no reason not to speak to each other. Let's be men. Let's be brave. Let's search diligently for the truth. Let's discuss these great questions earnestly, forcefully and with all our might, but let's learn to give and take and be friends. Let's do as the great bible preacher advised. He said (Ecc. VII-9), "Be not hasty in thy spirit; to be angry; for anger resteth in the bosom of fools."
