AN EXPENSIVE VICTORY(?)

Here is a short lesson in mathematics for the county court. It is a practical demonstration of profit and loss,—mostly loss:

Maxwell's claim was -	$700.00
The court offered him -	300.00
A saving in this case of -	$400.00

So much for this.

The county court has foolishly and unjustly tried to deprive him of what he fairly earned, and here are some more figures. These are the county's losses:

J. T. McCain's attorney fees	$200.00
Miscellaneous expenses -	100.00
Loss of Wilson river road appropriation - - -	2500.00
Total - - - - - - -	$2800.00

It is easy to see how much the county has lost by the political spite-work of a prejudiced and narrow-minded court. This same court did not hesitate to pay an attorney a large fee, and other expenses out of the people's money. These items alone would have paid the difference asked by Mr. Maxwell, as he would have been paid in county orders, and the fee paid the attorney is *cash*. There is nobody in the county who will begrudge Mr. Maxwell liberal pay for his work when it is considered that he was the cause of so large an amount of money being distributed in the county and secured a road that is of inestimable value to the settlers. According to the dicision rendered Mr. Maxwell will not receive a cent for his services.

And, if the decision of Judge Boise is sustained by the higher courts, the county will be out a large amount of expense, besides the appropriation for the Wilson river road will be lost, and unless the contract with Mr. Runyon is ignored, which cannot well be done, he will demand his money when the road is done, and the county will be taxed to pay it.

If the appropriations are illegal, the state can recover the ten-thousand dollars that was expended in building the Maxwell road! Reasoning from the same standpoint, the Maxwell road is illegal, and is liable to be closed by those whose lands have been damaged by it!

There is no telling where this thing will end, and what expensive complications may arise.

The state of affairs has already caused a great depreciation in the value of county orders and nobody wants them at any price.

The political enemies of Mr. Maxwell who took this method of trying to down him, have inserted their "foot in it" beyond extrication.

Commissioner West is not to blame for the muddle into which the county court has precipitated itself.

Gus. H. Bynon of the Vernonia Journal, is the happiest editor in the state. He has been married recently. Gus. is a nice, modest young man, and wields the editorial pen with ability. However, his modesty, henceforth, will not allow him to entertain any scruples against using the editorial "we." He will fully realize that he is "we," hereafter.

And now it appears that a recount is not likely to be ordered for Oregon. The census managers admit they are afraid there will be a general clamor for a a recount all over the nation if it is established that Oregon's count is not correct! Robert P. Porter will not be easily forgiven by the people of Oregon. We say count us again and let the country see what an awful botch the present census-taking system is. Our representatives in Congress are doing their best, however, to secure a recount and will obtain it if possible.

Read our liberal premium offers.

THE MAXWELL ROAD CASE.

This important case which was to have been tried on a change of venue in Yamhill county, was dismissed by Judge Boise on the grounds that all the road appropriation bills passed by the legislature are unconstitutional. The question of the justice of Hon. J. W Maxwell's claims against the county did not come up, and is still undecided. The county has already been to a great deal of expense in fighting this claim and is not done with it yet as the case will likely be carried to the Supreme court. If the county court had considered the matter with justice, instead of trying to down Mr. Maxwell politically, the matter could have been settled without all this unnecessary expense.

The Watchtower's alleged victory comes very high and is worse than defeat. The ungrateful beggar who edits that sheet owes Maxwell and his friends for its very existence, and it is now trying to ruin him financially and politically.

Probably the nose-pulling incident causes the old wind-bags that mixes the dye stuffs for the Watchtower, to entertain an unfavorable opinion of Mr. Maxwell!

GRAND PREMIUM OFFER!
A SET OF THE
WORKS OF CHARLES DICKENS,
In Twelve Large Volumes,
Which we Offer with a Year's Subscription to this Paper for a Trifle More than Our Regular Subscription Price.

CHARLES DICKENS.

Wishing to largely increase the circulation of this paper during the next six months, we have made arrangements with a New York publishing house whereby we are enabled to offer as a premium to our subscribers a **Set of the Works of Charles Dickens, in Twelve Large and Handsome Volumes,** with a year's subscription to this paper, for a trifle more than our regular subscription price. Our great offer to subscribers eclipses any ever heretofore made. Charles Dickens was the greatest novelist who ever lived. No author before or since his time has won the fame that he achieved, and his works are even more popular to-day than during his lifetime. They abound in wit, humor, pathos, masterly delineation of character, vivid descriptions of places and incidents, thrilling and skilifully wrought plots. Each book is intensely interesting. No home should be without a set of these great and remarkable works. Not to have read them is to be far behind the age in which we live. The set of Dickens' works which we offer as a premium to our subscribers is handsomely printed from entirely new plates, with new type. The twelve volumes contain the following world-famous works, each one of which is published *complete, unchanged, and absolutely unabridged:*

DAVID COPPERFIELD,
MARTIN CHUZZLEWIT,
NICHOLAS NICKELBY,
DOMBEY AND SON,
BLEAK HOUSE,
LITTLE DORRIT,
OUR MUTUAL FRIEND,
PICKWICK PAPERS,
BARNABY RUDGE AND CHRISTMAS STORIES,
OLIVER TWIST AND GREAT EXPECTATIONS,
THE OLD CURIOSITY SHOP AND THE UNCOMMERCIAL TRAVELER,
A TALE OF TWO CITIES, HARD TIMES AND THE MYSTERY OF EDWIN DROOD.

The above are without question the most famous novels that were ever written. For a quarter of a century they have been celebrated in every nook and corner of the civilized world. Yet there are thousands of homes in America not yet supplied with a set of Dickens, the usual high cost of the books preventing people in moderate circumstances from enjoying this luxury. But now, owing to the use of modern improved printing, folding and stitching machinery, the extremely low price of white paper, and the great competition in the book trade, we are enabled to offer to our subscribers and readers a set of Dickens' works at a price which all can afford to pay. Every home in the land may now be supplied with a set of the great author's works.

Our Great offer to Subscibers to the Headlight.

We will send the ENTIRE Set of DICKENS' WORKS in Twelve Volumes, as above described, all postage prepaid by ourselves, also The HEADLIGHT for ONE YEAR, upon receipt of $2.00, which is only 50cts. more than the regular subscription price of this paper. Our readers, therefore, practically get a set of Dickens' works in twelve volumes for only 50 cents. This is the grandest premium ever offered. Up to this time a set of Dickens' works has usually been $10.00 or more. Tell all your friends that they can get a set of Dickens' works, in twelve volumes, with a year's subscription to the HEADLIGHT for only $2.00. Subscribe now and get this great premium. If your subscription has not yet expired, it will make no difference, for it will be extended one year from date of expiration. We will also give a set of Dickens, as above, free and post-paid, to any one sending us a club of THREE yearly subscribers. Address: HEADLIGHT Tillamook, Oregon.
