**G. W. PETTIT WITHDRAWS.**  
Finding that by a legal technicality my  
residence in the city is not sufficient to  
entitle me to hold the office of Trustee,  
I respectfully withdraw my candidacy.  
Thanking the convention for its action  
in honoring me with the nomination,  
I am Respectfully  
G. W. PETTIT.

digest of the new laws, is the Capital  
Journal, of Salem. The work of com-  
piling is being done by a legal expert.

in full, and where sections of the Code  
are amended or repealed, the changes  
will be clearly set forth. Persons wish-  
ing to be posted on the new laws should

**THE TICKET.**  
The citizens of the place irrespective  
of party or factions, gathered at Hadley's  
hall Tuesday night for the purpose of  
nominating a ticket for the city election  
next Monday. The best of feeling pre-  
vailed and the meeting was harmonious  
in every respect, most of the nominations  
being made by acclamation. C. N. Drew  
was chosen chairman and A. P. Wilson  
secretary.  
The following ticket was placed in  
nomination: For Recorder, C. N. Drew;  
Attorney, E. E. Selph; Treasurer, Geo.  
Cohn; Marshall, Frank Linville; Trustees,  
A. P. Wilson, John Sheets and Geo. W.  
Pettit.  
Claude Thayer made a neat little  
speech at the close and the meeting ad-  
journed with everybody apparently well  
satisfied.

The above Table is for Dry Stocking Bar, not  
Tillamook, or Tillamook Bar.  
The height is reckoned from the level of aver-  
age low water, to which the soundings are  
given on the Coast Survey charts.

W. W. Conder has moved to the city  
and will assume control of the Clerk's  
office. He will retain the services of Joe  
Whiting as janitor for a while.

C. E. Reynolds is starting off with his  
furniture store in a business manner.  
His goods are well displayed, and he will  
soon receive large additions to his stock.

Wm. Mills, who has been visiting old  
friends and relatives in Eldorado, Kans.  
returned home per Str. Augusta. He  
returned alone notwithstanding reports to  
the contrary.

The steam-schooner Rosie Olsen formerly  
of this place has gone into com-  
mission as a sealer, and at last accounts  
was in San Francisco fitting out for a  
poaching cruise in Bering sea.

The city election will be held Monday,  
March 16, and the following officers will  
be elected: Recorder, City Attorney,  
Marshall, Treasurer and the Councilmen.  
Through a misunderstanding the state-  
ment was made that the election was to  
be held last Monday.

Imposing ceremonies will be held in  
the new Catholic Church Sunday, 10  
a. m., and a special sermon preached at  
4 p. m., on one of the momentous ques-  
tions of the day. A collection will be  
taken up for the benefit of the new  
church. Seats free to all.

Nehalem is coming to the front and  
some great developments may be expected  
in that section this year. Information  
regarding that wonderfully rich and  
productive country may be had by ad-  
dressing H. H. Downing whose adver-  
tisement appears in this issue.

The cry of fire, last Sunday evening  
brought everyone away from the supper  
table with a rush. It turned out to be a  
small blaze in the roof of G. A. Edmunds'  
residence and was quickly extinguished  
with a few buckets of water—cause a zinc  
stove-pipe through the shingles.

To much praise cannot be given Jack  
Perry the efficient manager of the C. N. &  
& U. Stage Co. for the excellent mail  
service he has given us this winter. For a  
man who dotes on onions and thinks  
San Francisco next to heaven as a place  
of residence, he excels as a mail runner.

"What are you standing there for?"  
said Bartholomew, to his friend, in front  
of King's store the other day. "I was  
just waiting till that crowd got away so  
I could get in and get your tobacco."  
"Well if that is what you're waiting for  
you may have to wait all day, for that is  
the way 'tis around King's store all the  
time. Make a break for the front-par-  
get your tobacco and divy up."

Mrs. Severance, our accommodating  
postmistress, has ordered of great ex-  
pense, a complete set of post-office boxes  
of the latest and improved pattern. The  
fixtures will not only be complete and  
convenient but elegant and metropolitan in  
appearance. The room in the post-office  
will be greatly increased and other  
conveniences for the public will be in-  
augurated. The new boxes will be here  
in about a month.
