John Jack's theatrical combination will be here three nights, and the Firemen will have a grand ball on the night of the 4th.

BAKING POWDER.

Recent Authorities About it.

The Scientific American, the Sanitary Era, the Indianapolis Board of Health, the Wisconsin Food Commissioner, and many other recent investigators, have stigmatized the use of alum or ammonia in a baking powder as injurious, and have published from time to time lists, calling the attention of the public to brands con- At Woods on July Fourth. taining these drugs.

It would seem as if some makers ought o have the honesty or good sense to make pure powder, foreseeing that although a smaller percentage of profit is Miss Annic Krebs, vocalist, pianist and made, it must result in increased sales, and consequently greater gain, and Miss Ida Diusmore, elocutionist. yet, after looking over the records, we Miss Josie Krebs, pianist and vocalist. are forced to the conclusion that "Dr. Price's Cream" is pretty much the only Musical and Literary Entertainment at brand that can be relied upon tinless one

Some of the powders which are the most widely puffed and heralded with "government chemists" (?) and other more or less spurious testimonials are Miss Annie Krebs, known to be the found to be the very ones which contain either or both of these impurities.
