TELEGRAPH.—The Tillamook & Bay City Telegraph line connects with the Western Union at Forest Grove, and will be extended on this end to Nehalem and Clatsop.

TOWNSITE.—The location of the city is remarkably beautiful, and is just sloping enough to secure good sewerage and drainage. An excellent system of water-works can be put in at reasonable cost, also. The townsite is laid off regularly, and with wide streets.

TANSPORTATION.—Steamers ply between this place and Astoria and Portland; also between the bay and San Francisco. The steamers have good accommodations for passengers, and carry freight at cheap rates. There is a daily stage between this place and North Yamhill (on the S. P. R. HERCULES GAS and GASOLINE ENGINES

No Batteries or Electric Spark to care for. Makes no smell or dirt.
No double or false Explosions, so frequent with the unreliable spark.
It Oils Itself Automatically. Just light the Burner, turn the Wheel, and it runs all day.
It runs with a cheaper grade of Gasoline than any other Engine, and consequently it COSTS LESS to run it.
For Simplicity it Beats the World. It has fewer parts, and is therefore less likely to get out of order than any other Gas or Gasoline Engine now built.
