The June Overland is to be a noteworthy number. The new editor, Rounseville Wildman, is to print another of the Malayan stories that have attracted much attention. This time it is to be called "Amok!" and it tells of the love affair of a young Malayan man and girl which ends tragically in the suicide of the man by the traditional method of his race, running amok. The word is familiar to everybody, and yet few people have understood how a Malay runs amok, and still less why. That is what this story will show in a striking manner.
