Office of County School Superintendent, Tillamook, Ore., June 15, 1894.

To the Clerks and Directors of School Districts of Tillamook county, Ore.

The result of the recent election in this county has raised a question of law, whether I have been re-elected or there is a vacancy in the office of School Superintendent.

In the latter case the law makes it my duty to fill the office until my successor is duly qualified.

It will perhaps be necessary to have the question decided by the courts but until further notice I shall continue to discharge the duties of the office to the best of my ability.

Thanking you all for good will and hearty co-operation in the past, I remain Respectfully Yours

T. B. HANDLEY.
