

# SPECIAL JUNE SALE-1894

AT THE FRISCO

The Grandest Opportunity of the Present Age.

For the past three months we have sold more than double the amount of goods than ever before during the same period in the history of our business in Tillamook. This is due simply to the excellent bargains which we have been making in every department of our business. During the month of June, 1894, we are going to make a general clean-up on every article in our house, and shall sell every article at retail, at wholesale prices.  See the Figures

## More Bargains.

We have been taking advantage of the depression in business, and the need of money felt by the jobbers to lay in some bargains that will CERTAINLY ASTONISH as well as please you.

We are gratified almost daily by having customers tell us how much better goods they get from us than our competitors give them for more money

## Remember

This sale lasts only 2 more days, until July 1, 1894.

We have saved the people of Tillamook county hundreds of dollars during this sale.

**22** lbs. Granulated SUGAR, \$1.00.

## Special Efforts.

We will make a special effort to do even better in the future. We can not do this alone, but you and everyone who are in favor of low prices must assist us. All we ask of you is to visit our store, examine the quality of our goods, and see the low prices we are making in every department, and we can certainly enlist you as one of our customers.

The people who knock out high prices are EDMUNDS & Co., Frisco Store.

 This sale will last only through June, 1894. You make the freight during this sale. Goods sold for cash only, for the above prices. County orders and produce taken. Don't fail to take advantage of our prices these hard times.

H. B. Karr assaulted G. B. Johnson, editor of the Nehalem Times, a few days ago in an unprovoked and aggravating manner. Mr. Johnson was knocked into the river, and was nearly drowned during the melee.

There was a rousing 4th of July meeting at the city hall Tuesday night. Nearly all the men and boys in town were present, and great enthusiasm was shown. Arrangements were made for fireworks, and the plug-ugly procession was provided for. There is no doubt now but there will be a big time on the Fourth.

President Carnot of France was assassinated, stabbed to the heart, while on his way to a theater in Lyons, Saturday night, by an Italian. The assassin was captured, but was almost beaten to death while in the hands of the police. The president died at midnight. All France is aroused against the anarchists, and many Italians in that country have suffered mob violence.
