

REPUBLICAN PATRIOTISM IN 1836.

DEMOCRATIC PATRIOTISM IN 1861.

**SALVATION IS FREE!!!** Those of you who have starved on the wind swept plains of Kansas, watched your crops wither and die for the want of moisture, and if they do live, see them eaten by grasshoppers or chinchbugs, saw your potatoes and gardens destroyed by gophers and prairie dogs—those of you who have faced the famine in Nebraska, burned corn to keep from freezing to death, fed your cattle nine months out of the year—those who have weathered the withering blasts of the Dakotas, had your ears and feet frozen off, shivered by a red hot stove or toyed with the death dealing zephyrs when the thermometer marked 60 degrees below zero—you who have braved the uncertain and changeable freaks of old Borsas in Iowa and Minnesota, dug through snow banks to get from your house to your barnyard, or witnessed your buildings go up in a cyclone—you who have shaken with the ague on the Wabash, coughed your lungs out in Chicago, wrestled with yellow fever in Memphis, or sneezed yourself silly on the alkali plains of Texas—saw your buildings, house hold goods, and crops floating placidly down the Mississippi, saw your fodder rot in the shock, the weevil taking your wheat and the devil getting your nearest relatives—you who have seen crops fail seven years in succession, passed through a "dusted" or "loom" in Pennsylvania, the devastations of war in the South, the strikes in New York city, or tried to eke out a living on the yellow clay hills of Vermont—you who have worked hard for years, yet poor, everything mortgaged but the old woman and children, and still living from hand to mouth—you who are backsliders, weary of well doing, and discouraged in trying to earn a living honestly—if all these and many other afflictions have been your lot, why, at one fell swoop end all your troubles by coming to Oregon, and to Tillamook, where you will find absolution from most of the evils of the world.

**Seven Months With Fever.**  
Wonderful Recovery of Health.  
Mr. Baird's rapid and marvelous recovery from a mere skeleton to his normal weight, 270 pounds, was surely the finest feat of the grandest strength-giving and building-up medicine ever produced, namely:  
**Dr. Miles' Restorative Nervine.**

**J. H. BAIRD.**  
"Gentlemen—I wish to express to you my gratitude for the great good that Dr. Miles' Nervine has done for me. I was taken sick with typhoid fever and I laid in bed for seven months. After getting over the fever I was thin, nervous and tired, and did not retain my lost strength. I tried several proprietary medicines, and finally, after having been reduced in weight to 150 pounds, I began trying your Nervine, and at once began to improve. Was finally entirely cured, and today I can say I never felt better in all my life, and weigh 270 pounds. This is my normal weight, as I measure 6 feet 5 1/2 inches in height."  
South Bend, Ind.
