### ONE PIONEER LESS

TRUMAN HARRIS DIED  
LAST WEDNESDAY.

Died—Truman Harris, aged 72 years, at  
South Prairie, February 5, 1896.  
Truman Harris was born July 9, 1824,  
in Oswego county, New York. When  
he was nine years of age his parents re-  
moved with him to the state of Mich-  
igan.  
He was married there in 1846, to  
Francis Maria Lewis. They crossed the  
plains in 1852, settling first at Salem,  
Oregon. In 1854 they came to Tilla-  
mook where they made their home un-  
til the present time.  
Truman Harris took a donation land  
claim of 320 acres on South Prairie, and  
resided on the old homestead until his  
death. He was well known by all the  
old settlers here as a quiet, law-abiding  
and generous citizen. He did a great  
work for this county about 30 years ago  
in opening the Harris trail, across the  
mountains and connecting this county  
with the Willamette valley. He ex-  
pended a great deal of money on the  
road, but before it was completed other  
roads were started, and today the "Old  
Harris Trail" is not traveled, and would  
be hard to locate exact, by those who  
used it in the pioneer days.  
The widow who survives him is 69  
years old. The children living are Mrs.  
Ben Morin, of Baker City, and Albert  
G. and Addison H. Harris of this county.  
Frank Harris who died about two  
years ago was a son of deceased. Three  
children born in Michigan died in in-  
fancy.  
The remains were interred at Johnson  
cemetery at Fairview, last Friday, the  
funeral services being conducted by Rev.  
Taber.

**An Open Letter.**  
Dear Grover—I wish you would come  
out here and hunt ducks with me. I  
will meet you at the state line—I am  
somewhat different from Penney.  
The season is open and there are more ducks  
than ever. You can write up a few mes-  
sages on the Venezuela question before  
you leave, and I judge you have plenty  
of good neighbors who will look out for  
your family. How are the folks, any-  
way? Mine are just getting over the  
measles, and we are all nearly down  
with bad colds.  
Say Grover, you'd enjoy yourself out  
here. I am a great fellow to cut up  
and take on, and we can have more fun  
than you can shake a stick at.  
Yours Truly,  
GOVERNOR DAN BOWEN.

**The Latin Estate.**  
The following is taken from the Ore-  
gonian of recent date:  
"In the matter of the estate of John  
Latin, deceased, the county court yes-  
terday approved the sale by the admin-  
istrator of 152 1/2 acres of land in Tilla-  
mook county to Rosa E. Breslin for \$318.  
From the above it is evident the deed  
to one Logan offered for record here is a  
forgery, as before stated, and was not  
considered in the Portland court where  
the estate was settled. A letter ad-  
dressed to Logan by the county clerk  
was returned. "Not delivered; no such  
person to be found."  
**Celebration.**  
Head Quarters Corinth Post No. 35,  
Department of Oregon G. A. R.  
Notice is hereby given to all members  
of the G. A. R. and all ex-soldiers and  
families to join in the celebration and  
flag raising on February 22nd. The  
members of the post and other soldiers  
will form line in front of the I. O. O. F.  
hall at 10 o'clock A. M., sharp.  
C. N. Drew, W. E. Page,  
Adjutant Post Commander.  
**To the Public.**  
Ed. HEADLIGHT:—It has been fre-  
quently stated, and believed by some  
people that Wilson river is a meander-  
ed stream at my place. I am in a po-  
sition to assure the public that the  
statement is a mistake.  
Respectfully,  
JOHN SVENSON.  
**Dry Wood for Sale.**  
I have a large lot of dry wood, been in  
the shed since August, which I will de-  
liver to parties in town at \$3 per cord.  
It is all four foot wood. Enquire of J. S.  
Diel, or drop a postal card to his ad-  
dress, City.  
A drowning man would have little use  
for a method of rescue which would re-  
quire days. A dyspeptic doesn't want  
to bother with a remedy that is going to  
take weeks to show its beneficial results.  
The Mount Lebanon Shakers are offer-  
ing a product under the name of Sha-  
ker Digestive Cordial which yields im-  
mediate relief. The very first dose  
proves beneficial in most cases; and it is  
owing to their unbounded confidence in  
it that they have put 10 cent sample  
bottles on the market. These can be  
had through any druggist; and it will  
repay the afflicted to invest the trifling  
sum necessary to make a trial.  
The Shaker Digestive Cordial relieves  
by recting the stomach and aiding the  
digestion of food.  
Laxol is the best medicine for chil-  
dren. Doctors recommend it in place of  
Castor Oil.  
You are not obliged to pay for a pa-  
per you do not order, and as a common  
courtesy to the publishers you should  
refuse to take it from the office if you  
don't want it. If your time is run out  
and you wish to stop your paper, the  
easiest way is to refuse to take it from  
the P. O. The post master has blanks  
to notify the publishers. Of course we  
are not trying to get you to stop the  
HEADLIGHT, but if you don't want it,  
don't be afraid to stop it. This is not a  
charity concern and doesn't ask you to  
patronize it unless you feel that you get  
the value of the money. Neither are  
we in the business to dispense charity  
and we are not giving papers away.  
We do not send papers out unless order-  
ed, except sample copies occasionally  
which are so marked, and if you get the  
paper it is because you have paid for it  
or we expect you to pay for it, or some-  
body has paid for sending it to you.  
It is thought the coming campaign  
will be a very quiet one compared with  
the last, and that whatever fighting is  
done will be done quietly. The HEAD-  
LIGHT has no fight to make this year,  
and will not be drawn into a bitter con-  
troversy unless forced to do so. If any-  
body attacks or opposes the HEADLIGHT  
this paper will perhaps battle with the  
man who does it. Those who want to  
carry on a campaign against someone  
purely for spite, work, will have to go to  
some other sheet. Those who want an  
organ to boast themselves into office will  
also have to seek elsewhere.  
Wm. Hubbard exhibited at this office  
a crazy quilt which is the best we ever  
saw. The goods in it is all the best  
quality, and a great deal of skill and  
practice must have been used in making  
it. It was made by his wife, or was  
nearly finished by her before she died.  
The HEADLIGHT Co. is not a hog, but  
it wants all the subscriptions to be had  
in this county. Nearly all are on the  
list. The balance are invited to make  
it unanimous.  
Since the first of last December the  
HEADLIGHT subscription list has increas-  
ed faster than ever before in the eight  
years the paper has been running.  
An item in this paper last week re-  
garding Hon. H. G. Guild should have  
been credited to the North Yamhill  
Record.

## Attention!

The date opposite your name printed  
on the margin of your paper or on the wrapper  
indicates the time your subscription expires,  
and you are invited to renew at that time. All  
papers sent to parties outside the county are  
promptly discontinued when their time expires  
and six months' arrearage is the limit within  
the county. In stopping your subscription, it  
is necessary first to pay all arrearages.  
John Smith 2x6  
The foregoing shows the style of the ad-  
dresses. The large figure six at the right in-  
dicates the year, that is 1896. A large seven at  
the right would indicate 1897, or a five would in-  
dicate 1895. The other figures denote the day of  
the month, and the month is indicated in small  
type. A cross mark in blue pencil indicates  
that you are away behind and should pay up.

### POLITICAL GOSSIP.

RUMORS PICKED UP ON THE  
STREET.

What may be said in this article is  
mere gossip. No candidate has been  
asked to verify the statements herein,  
and no candidate has been consulted re-  
garding his position, or as to whether he  
is a candidate according to rumors.  
There are various reasons for taking  
this course. In the first place, those  
who are candidates are slow to acknow-  
ledge it, especially if they think it is in-  
tended for publication. They do not  
talk freely about the matter, and often  
request the newspaper to say nothing  
about it—and newspaper men, like  
everybody else, hate to refuse a favor,  
even to an enemy.  
This gossip is given for what it is  
worth. It may have a few grains of  
truth in it, and it may not. However,  
what Tom, Dick and Harry says, is  
worth considering, sometimes, and the  
readers of this paper may gain some in-  
formation from this article.  
There are several aspirants who would  
be willing to sacrifice themselves for the  
good of the people, and perhaps the  
salaries attached to the offices may  
create a longing in the breasts of some.

**THE CANDIDATES.**  
It is said that James McCain will  
accept the nomination again for District  
Attorney, and there seems to be no  
opposition to him in this county. The  
"east side" has both judges, and the  
"west side" will probably secure the  
District Attorney without trouble, and  
it is reported that Mr. McCain is solid  
in Yamhill and the other counties of the  
district west of the Willamette. Tilla-  
mook has always staid with Jim, and it  
will help him again.  
For Joint Senator, Tillamook is not  
directly interested, and there is an un-  
derstanding that the three counties  
composing this senatorial district, Colum-  
bia, Washington and Tillamook, should  
have it turn-about. Washington has a  
senator of her own however and is in it  
jointly with the other two counties men-  
tioned on the joint representative. Tilla-  
mook had it the last time, Senator Max-  
well being the man. Columbia had it  
before, Supreme Judge Frank A. Moore  
filling the office. According to the un-  
derstanding Washington is to have it  
this time, and several men over there  
would be willing to take upon their  
shoulders the responsibility of represent-  
ing these three great counties. J. R.  
Beagle, editor of the St. Helen's Mist,  
of Columbia county, is spoken of, and  
Washington county expects again to get  
the District Attorney for the 5th district  
(not our district) it is proposed by some  
to give the nomination to Mr. Beagle.  
No doubt it will be necessary to get  
Washington county's permission, as that  
county has eleven delegates, whereas  
Tillamook has only three and Columbia  
only 5, a total of 8, against Washington's  
11. In the last convention Tillamook  
and Columbia had a majority of 1 de-  
legate, and it is said that this is all that  
kept Washington from taking the nomi-  
nation when Senator Maxwell was nomi-  
nated. With the large increase of  
population here and the big vote of the  
republican party last election, it would  
seem, however, that the apportionment  
for this county is entirely too small.

For Joint Representative A. W. Severance  
is generally talked of. W. L.  
Brooks of Bay City has been mentioned  
also. It is also rumored that F. R. Beals  
is a candidate. E. E. Selph is not a  
candidate.  
For County Clerk, H. H. Alderman  
seems to be the only candidate so far,  
and will perhaps get the nomination  
without a fight. It was rumored that  
Bob Hays and Alex McNair were candi-  
dates, but now it is conceded that they  
are not in the contest at all.  
They say that J. H. Jackson will run  
for Sheriff again, and it is to be pre-  
sumed the rumor is correct. It is also  
reported that A. D. Sanders of Nestucca  
will seek the nomination, and it is said  
Fred Arthur, city marshal of this town,  
will try for it.  
There is talk that L. E. Alley will  
succeed himself as commissioner from  
Nehalem. That end of the county is  
supposed to have one of the commis-  
sioners and no other names have been  
mentioned so far as the street knows.  
For Treasurer, it is understood that  
John Barker will accept it again, and it  
is said that George Edmunds is willing  
to handle the money. The name of R.
