#### Hurrah for McKinley!

Republicans are united this time.

We repeal it, this town ought to have some drains at once.

Take good care of the cows and let the candidates care for themselves.

Don't fail to read the announcement on the supplement enclosed in this paper.

Men who pretend to do business should make some attempt to settle their small bills.

There are some good men on the democratic and populist tickets, but this is not their year.

The combination tried to knock Ellis out in the eastern Oregon congressional district. It failed.

Nehalem should have that beach road, and there should be a road via Foley and the North Fork also.

A number of sample copies are sent out this week. Send in your names with the spoolix if you want the paper.

Nearly all cases of trouble between husband and wife are encouraged by parties who should not be interested.

To get the vote of the Nestuck-crites the candidates for commissioner must be in favor of bridging Big Nestucca river.

A little quiet horse-sense shown now by some of the old factional leaders in this county will contribute to the success of the ticket.

A man who owes for three, four or five years subscription shouldn't complain if he is written up and ridiculed in the paper he owes.

It is evident that Mr. Tongue has free silver sympathies, but will make his course conform to the platform laid down by the national republican convention.

The best thing the republicans can do is to quit quarreling over the silver question. Abuse and bulldozing will convince nobody, it splits the party and invites defeat.

Every republican has a right to his opinion, and he doesn't feel like being insulted or kicked out of the party for what he believes.

Everybody here should take an interest in getting the road opened and completed west to the Tillamook river. Its advantages are well understood.

There will be no fight in the republican ranks here this year. Everything indicates that the whole ticket from representative to constable will be elected.

This paper will shortly publish sworn statements of circulation the same as some of the city papers do. Investigation will be courted, and other papers here will be challenged to do likewise.

Geo. Cohn would make an excellent representative should he be elected, though he is so unfortunate as to be backed by a party that is in the last stages of decay. Mr. Cohn is too good a man for his party. He should have been a republican.

#### POLITICAL AND OTHERWISE.

Congressman W. R. Ellis, re-nominated, is a free silver man.

Harvey Scott will be read out of the republican party some time.

R. S. Bean will be elected supreme judge again by an increased majority.

This is the most quiet local campaign experienced in this county for years.

The Oregonian is in an exceedingly bad humor. It failed to run the state convention.

A lot of people talk about "sound money," who don't know the first principles of finance.

T. H. Tongue is satisfactory to the republicans of Tillamook. He will get a big vote here.

We have discontinued sending scenic photos on the proposition advertised some time ago.

The Hillsboro Independent is justly proud that its favorite got the congressional nomination.

John H. Mitchell is not beaten yet by a long sight. He is likely to succeed himself in the senate.

Protection and free silver is a combination that will win some time, though probably not this year.

If Tom Tongue does as much for Tillamook as Binger Hermann did for Coos, we'll be properly in it over here.

Free silver republicans are not going to change their honest convictions simply because they are told to do so.

There are but few in this county who do not take the HEADLIGHT. We want that remaining few on our list of subscribers.

The republicans of Yamhill county are badly split on the money question and two tickets will be the result as in Multnomah.

It is said by those who know him, that G. W. Patterson, of Hillsboro, candidate for joint senator, is a good man for the place.

Yamhill county has been gracious this time and has endorsed our Mr. Brooks for joint representative. His election is practically assured.

Joe Simons appointed all the judges in the Portland primaries from his faction, and then 400 deputy sheriffs were helping him. It availed nothing.

The Sears-Simons-Scott gang utilized the deputy sheriffs, and the Cary-Hirsch-Hume faction manipulated the police force. What's the difference!

The credit system is carried too far here. Those who trust every Tom, Dick and Harry without limit will not only "go broke," but they encourage laziness.

The nomination of a sound money man in the first district is an excellent result.—Oregonian. We are glad to hear this from the Oregonian. If we mistake not it is

but a few months since the same paper was holding Mr. Tongue up to ridicule for being a free silverite.—Valley Transcript.

Republicans should not attempt swapping this time. It is not necessary in order to save anyone. Once started it is likely to defeat several on the ticket.

A man who expects to conduct a business entirely on "tick," always using somebody else's capital, and never paying his small bills, is bound to be in hot water all the time.

The gold bugs tried to run a radical anti-silver resolution through the state convention, but were promptly voted down. Ex-senator Dolph introduced the resolution.

If Cleveland doesn't promptly co-operate with congress regarding Cuba, he should be court-martialed for cowardice and lack of patriotism, and then be kicked out of the White House.

Mr. Tongue isn't saying as much about the finance question as he did two years ago. He knows when to hold his tongue. We have a deep seated notion that he is all right on finance, however.

Of course Tillamook is somewhat disappointed because James McCain was not re-nominated for district attorney, but Mr. J. A. Carson is all right and will receive the support of the republicans here.

If we could trace Dyspepsia to its source, it would lead back to our kitchens. In fact, the secret of good health is good cooking. If well cooked, foods are less digestible than in their raw state. If you are a victim of faulty cooking; that is, if you suffer from Dyspepsia, the rational cure must be looked for in an artificially digested food, and a food which will at the same time aid the digestion of other foods. Such a preparation virtually rests the tired digestive organs, thereby restoring them to their natural strength.

The Digestive Cordial, as prepared by the Shakers of Mount Lebanon, is just such a preparation, and a single 10 cent bottle will convince you of its value. If your druggist doesn't keep it, he will be glad to get it through his wholesale house.

Laxol is the best medicine for children. Doctors recommend it in place of castor oil.
