

\$1.00

Until
June 1st.,
1896.

~~~~~  
Just for Fun! It is less than the white paper costs but we'll try it until June 1 just for fun. This is a good time to pay up and save money. All new subscribers, and all old ones who pay a year ahead get the \$1.00 rate. It must be **CASH**, at this rate—the regular price of \$1.50 per year will be required if you pay in produce or if you want the paper on time.

**Remember!** This is not a permanent reduction; it lasts only a short time, and is merely a reduction of 50 cents for cash.

**Don't Delay! The Time is Short!**
