\$1800.00 GIVEN AWAY TO INVENTORS.

\$1800 every month given away to any one who applies through us for the most meritorious patent during the month preceding.

We secure the best patents for our clients, and the object of this offer is to encourage inventors to keep track of their bright ideas. At the same time we wish to impress upon the public the fact that
IT'S THE SIMPLE, TRIVIAL INVENTIONS
THAT YIELD FORTUNES,
such as the "car-window" which can be easily slid up and down without breaking the passenger's back, "sauce-pan," "collar-button," "nut-lock," "bottle-stopper," and a thousand other little things that most any one can find a way of improving; and these simple inventions are the ones that bring largest returns to the author. Try to think of something to invent.

IT IS NOT SO HARD AS IT SEEMS.
Patents taken out through us receive special notice in the "National Recorder," published at Washington, D. C., which is the best newspaper published in America in the interests of inventors. We furnish a year's subscription to this journal, free of cost, to all our clients. We also advertise, free of cost, the invention each month which wins our \$1800 prize, and hundreds of thousands of copies of the "National Recorder," containing a sketch of the winner, and a description of his invention, will be scattered throughout the United States among capitalists and manufacturers, thus bringing to their attention the merits of the invention.
All communications regarded strictly confidential.

1000 WAYS TO CURE A COLD!

Quinine, acetate, hot tea, onion syrup, whiskey and quinine, rock candy and rye, a "sweat" foot bath, starvation feeding, wrapping your nose around your neck, cod liver oil, and old household cough cure, these and over 100 other ways are used by the human race to cure a cold. The best way is to make use of CUSHMAN'S INHALER your daily companion and you will never catch cold.

A man must be miserable indeed who is laid up with a bad Cold, Cough, Hoarseness, Sore Throat, without pain, his throat sore and his head throbbing when one little puff from the market-called CUSHMAN'S INHALER will give him instant relief.

RELIEF EASY TO GET!

He may go on and on, sneeze his head off for that matter, snuffle and snort around to everybody's discomfort. His eyes may become inflamed, his head and ears ache, and his throat so sore he can hardly swallow. Perhaps he must be in bed all week for this, he can buy CUSHMAN'S INHALER and restore himself to his normal condition.

Cushman's Menthol Inhaler a Jewel!
A woman will sit around prostrated in nerves, feeling desperate over loss of sleep, head and eyes racked with pain, cold settled in every bone, so miserable that she would like to die, but if she would make the marvelous little instrument known as CUSHMAN'S INHALER, she would come back fresh, and a cold and sore throat and catarrh would have no terrors.

NEVER NEGLECT A COLD OR COUGH

Neglect a Cold or Cough and if La Grippe don't get you, Consumption will. CUSHMAN'S INHALER cures colds and all diseases of the respiratory passages. You lose dollars in doctor bills in not using CUSHMAN'S INHALER handy to drive off a cold or cough or sore throat at its very first approach.

The Greatest Authority in the World.

DR. J. LENOX BROWNE, F. R. C. S. Ed., Senior Surgeon to the Central London Throat and Ear Hospital, says: "The vapor of Menthol checks in a manner hardly less than marvelous, acute Colds in the head. For all forms of nasal diseases, causing obstruction to the natural breathing, I prescribe CUSHMAN'S INHALER, from the extent of hundreds per annum."
(Does not this recommendation reflect that all who feel any cold or cough, should use it?)
Brings sleep to the sleepless. Cures Insomnia and Nervous Prostration. Don't be fooled with worthless imitations. CUSHMAN'S INHALER, 50c. at drug stores, or mailed, postpaid, on receipt of price. Write for laws on Menthol and Catarrh. CUSHMAN DRUG CO., VINNENES, IND., U. S. A.

CATARRH

is a LOCAL DISEASE and is the result of colds and sudden climatic changes. It can be cured by a pleasant remedy which is applied directly into the nostrils. Being quickly absorbed it gives relief at once.

It is acknowledged to be the most thorough cure for Nasal Catarrh, Cold in Head and Hay Fever of all remedies. It opens and cleanses the nasal passages, always pain and inflammation, heals the sores, protects the membrane from colds, restores the sense of taste and smell. Price 50c. at drug stores or by mail. ELY BROTHERS, 66 Warren Street, New York.
