Literary Note.

Every woman has natural curiosity to see how other women furnish their homes. To satisfy this *The Ladies' Home Journal* will publish during the year interior photographic views of a hundred of the most artistic, cheerful and comfortable homes in America. These will show in detail the construction, fitting and furnishing of parlors, drawing-rooms, halls, reception, music, sitting, dining, bath, and bed rooms, kitchens, porches, piazzas, etc. This unique series will be full of excellent ideas for every housekeeper or home-maker. It will present views of the interiors of houses of moderate cost, which are fitted and furnished with conspicuous good taste, and at comparatively small expense.
