Beware of Ointment for Catarrh that Contains Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by druggists, price 75 cents per bottle. Notice to Taxpayers.

The law requires that each male between the ages of 21 and 50 years living within the county shall pay a poll tax of one dollar (\$1) at the time of assessment, and if not so paid, to be reported to the sheriff of the county, with added costs, for collection, at once. The law allows no exemption for poll tax, except to active members of the Oregon National Guard, and all active firemen who have been members of any company, for one year next preceding the time of assessment, and exempt firemen. That there may be no cause for complaint I ask that each person liable to poll tax be prepared to pay the same to the assessor, or his deputy, at the time of making the assessment. I ask the aid of every person in the county, that the law may be strictly complied with. Persons exempt will be required to show their certificate of exemption.
