The Nehalem Times with its present issue enters upon its fifth year. The Times is a lively, bright, breezy little paper, a credit to its publisher, and its town. Bro. Johnson is a hustler, and the Times exercises great influence for goodin the comunity in which it is published. Long may the Times wave, and its editor continue to live on the fat of the land. The only thing St Peter will have to allege against Bro. Johnson when he stands at the pearly gate for admiss on, is that notwithstanding all his good points—he was a democrat.

Mrs. A Inveen, residing at 720 Henry St., Alton, Ill., suffered with sciatic rheumatism for over eight months. She doctored for it nearly the whole of this time, using varous remedies recommended by her friends, and was treated by physicians, but received no relief. She then used one and a half bottles of Chamberlain's Pain Balm, which effected a com plete cure, This is published at her request, as she wants those similarly affected to know what cured her. PLUNKETT'S LETTER.

Kopperhead Kross Roads,
Tillymuck Co. Ore., April 18, 1897.

Deer Editer of the HEDLITE:

Yisterday I picked up the paper of noomerous names and noomerous editers and fer wunst red it. I have took it under various dispensashuns and names but I never saw a kopy of it that bare evidence of so many editers as the last number. Amongst its mothers, authors, korrespondents and editers was a groceryman, a lawyer and a "Zero" or sumthin like that. That reminds me that I wunst had a kalf that sucked three kows, and the more kows it sucked the bigger kalf it got to be.

The "Zero" it seems didn't like my way of writin, and in order to diskouridge me he fires a whole kalf bound book at me, kalf and all. Well, we doant seem to be a muchul admiration sosiety. I think we would surely both be better off if we let the noospapers alone, but perhaps he prefers raisin Kain to mindin his bizines and I prefer raisin h—l to raisin hogs. Go it 'Zero'; take off your sadel and raise up your hed, buckel up your belly band, adjust your crupper; beller like a bull; bite like a baboon and kick like a mewl an we'l raise hades orthodox; an when we get through there'll be one less farmer on Koppers Head or the "Zero" will be ahead of the figger.

I notis you insist on kickin when the Kounty Koart imposes on you. Why dont you shut up an grin an bear it. The more you kick the meener they'le be. Then youre only incitin rebellion. By an by the whole Kounty will begin to kick and if you dont watch out the darn Koart will get kicked out of offis. Then what'l cum of it? Some of em hev hung on the public tit so long that if you pull em off thay'l be like a yung kalf with a patent tit in its mouth, and the buket out ofwhich it has been eatin empty. Thay are liable to butt the pale to pieces as well as inflate themselves with too much wind an God Knows there isnt much of em besides wind, now.

Speakin of offis seekers I hear that Tillymuck has a right smart krop of em. It is said thay are of all sexes and previus condishuns of servytood and pollytix and that the partikler offis they are after is the Post offis;

Some is fat an some is lean
But on the track thare equal keen
Fer offis
Some is wimmin an some is men
But there aint a bit of differance when
Its offis.
Some is lame and some is game
But thayre hustlin to get there all the same
In offis.

Yoors Trooly,
Hyrum Mossback Plunkitt.

P. S. This is the seezon of fishin and fish stories, an a right smart krop of em is already started. Brethren let us read a chapter in the book of Jonah and then pray fer these prevaricaturs.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.
