BEAVER

Your correspondent just received a letter from Prof. F. D. Vincent. He is at Warren Pa. as he has a position there at present, hence, will not reach Beaver for a few weeks. Mr. Vincent is one of Tillamook's best teachers when it comes to advancing the pupil. He would be glad to correspond with any one needing a teacher.

The people, generally from Woods to Coulsonburg, are now giving volunteer work opening the new road from Elm Butts to Mr. Kellow's.

Some of the possibilities of Beaver in the not distant future are: Electric cars from McMinnville to Woods through Beaver, railroad from Albany to Astoria, a free wagon road from Beaver up West Creek to Sand lake, a Seminary, a population of 1000 and a printing press.

Woods

(FROM THE OCEAN WAVE)

E. E. Virgil returned from a trip to Portland.

Prof. Sauffer's school is progressing finely under his able management, and he seems to be giving entire satisfaction. The best of order prevails.

A large Cougar visited the ranch of C. F. Murphy last Tuesday and killed a yearling and dragged it off. The beast is quite large, as the track measured 4 1/2 inches across. It also killed a sheep last Friday a week ago for A. J. Hembree. Several parties with guns have been hunting for him but as yet have been unable to get a shot at him.

Glenora

Green peas and young potatoes are on the menu at present.

Strawberries are ripe and abundant.

Our school closed on Friday. Several visitors attended the closing exercises. The children showed wonderful progress in their vocal music. Miss Woodward has done first class work in the school room and is engaged to teach the fall and winter term of six months, beginning September 1st. She returned to Forest Grove on Monday.

The rain has been of great benefit to all crops.

Fly fishing is good at present, and the speckled beauties are fat and toothsome.

Paul Huhl has returned from Tillamook to harvest his hay crop.

You may hunt the world over and you will not find another medicine equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. It is pleasant, safe and reliable. For sale by S. J. Sturgeon.

A PIONEER SHOEMAKER.

WORKING AT HIS TRADE ALTHOUGH EIGHTY-FIVE YEARS OLD.

Mr. James McMillen, of Champaign, Has Followed the Shoemaker's Trade All His Life—Every Day at His Bench Working with Apparently the Same Vigor as a Young Man—A Sketch of His Life.

From the Gazette Champaign, Ill. At the advanced age of eighty-five years, James McMillen, of 112 West Washington street, is one of the most active men in Champaign, Illinois. Mr. McMillen is a pioneer citizen of the city, and his form is as familiar on the streets as that of any citizen of the town. All his life Mr. McMillen has followed the trade of shoemaker, and every day finds him at his bench, bending over his work with apparently the same vigor he commanded when he was a young man. He has a little shop on North Wright street, in the vicinity of the University of Illinois, and he is the official shoemaker, as it were, for the students of that institution. About a year ago Mr. McMillen was absent from his bench, for several weeks, and his familiar form was missed along the streets. The local newspapers announced that he was dangerously ill. For months he was a sufferer, but finally he appeared again at his shop, and has lost but very few days since then and none, perhaps, on account of sickness. His friends were surprised to see him out again, and they were more surprised when he told them the cause of his recovery. There was no small amount of local interest in his case, and a reporter visited him, to have him relate the story. "I feel," said the spry old gentleman, "that I owe my life to Dr. Williams' Pink Pills for Pale People. Something like a year ago it appeared to me that I was almost a physical wreck. I was suffering from a disease of the kidneys. A thick scurf had formed on the bottoms of my feet and my ankles were terribly swollen and inflamed. In fact, they reached such a condition that I could not walk, and it looked as though my days were numbered. "I read in the newspaper testimonials from people who claimed to have been cured of kidney trouble by the use of Dr. Williams' Pink Pills for Pale People, and thought that it would do me no harm to give them a trial. I bought a box of them at the drug store and began taking them according to directions. It may seem strange, but it is a fact that I felt the benefit of them almost as soon as I began to take them. After I had taken a few pills my urinal discharges became almost as black as tar and I noticed at the same time that the pain and soreness were leaving my kidneys. "A few days later the swelling began to go out of my ankles, and at the end of five weeks it had entirely disappeared, taking with it that terrible scurf which had formed on the bottoms of my feet and caused me so much trouble. I continued to gather my lost strength, and at the end of six weeks I felt entirely recovered and resumed my work at the shop. I think I took from four to five boxes of the pills and have taken none since. "Mr. McMillen's residence on West Washington street, is more than a mile distant from his shop, but nearly every day he walks the entire distance, morning and evening, and he could not do this if that swelling still existed. "Mr. McMillen has no backwardness in talking of the merits of Dr. Williams' Pink Pills. Dr. Williams' Pink Pills for Pale People contain in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. Pink Pills are sold by all dealers, or will be sent post paid on receipt of price, 50 cents a box, or six boxes for \$2.50 (they are never sold in bulk or by the 100), by addressing Dr. Williams' Medicine Company, Schenectady, N. Y.

The Shakers have made a discovery which is destined to accomplish much good. Realizing that three-fourths of all our sufferings arise from stomach troubles, that the country is literally filled with people who cannot eat and digest food without subsequently suffering pain and distress, and that many are starving, wasting to mere skeletons, because their food does them no good, they have devoted much study and thought to the subject, and the result is this discovery of their Digestive Cordial. A little book can be obtained from your druggist that will point out the way of relief at once. An investigation will cost nothing and will result in much good. Children all hate to take Castor Oil, but not Laxol, which is palatable. To Cure Constipation Forever. Take Casarets Candy Cathartic. 10c or 25c. If C. C. fail to cure, druggists refund money.
