### Sayed Our Official Towel.

Several weeks ago when the Nehalem nine returned from Bay City, beaten and discouraged, we gave them a little and a years subscription against six bits that the Nehalem boys would win the game on the 4th, thinking it would cheer the boys up a little to know they had a backer. To tell the muth we were quaking in our boots for fear some one would take the bet and sure enough, just before the game began last Saturday, Mr. O. Young, the portly merchant from Bay City took it up. Now that towel is only four years old and has never been contaminated with water and as it is just getting able to stand alone we should hate to part with it, but the Nehalem nine nobly came to the rescue and simply wiped up the Diamond with the Alerts, and we still have our towel and Mr. Young's six bits. The Nehalem boys never go back on a -Nehalem Times.

Udney Y. Wilson Was Near Death's Door. Doctors Failed to Help Him A Home Remedy Succeeded in Saving His Life.

From the Evening News, Detroit, Mich.

Udney Y. Wilson, contractor and builder, it o own up that Dr. Williams' Pink Pills living in Detroit, Mich., at 87 High Street, West, said regarding Dr. Williams' Pink Pills for Pale People: "For years I have been out of doors in all kinds of bad weather, I took three boxes before I was entirely cured, and we now keep them looking after my building contracts. I have in the house all the time. been out of doors in all kinds of bad weather, looking after my building contracts. I have worked many days in the rain and cold to complete some building. About two years ago I noticed I could not get around as I should, and commenced to have a severe pain in my back. I tried the usual remedies without getting any relief, and for nearly a year I suffered intensely. I kept up as long as I could, as I had several contracts for buildings that had to be completed.

"At night I could not sleep. My physician said it was my kidneys, and every day I went out doors they would keep me awake nearly all the following night. Instead of getting better I became worse, and worried a great deal about my work. The doctor said I must quit work and go to bed, or he would not be responsible for my life.

"All the medicines I took only helped me temporarily. Some days I would feel better and go out a day only to be again confined to my bed for weeks at a time. One day my wife suggested that I try Dr. Williams' Pink Pills for Pale People, and I laughed at the idea.

"Finally when I got into such a condition that I would take almost anything in the house all the time. "I am not prepared to say that Dr. Williams' Pink Pills for Pale People will cure everything, but I know they will cure everything, but I know they will cure kidney iroubles and general muscular weakness, as they cured me.
