## What the People of Tillamook Say

### That Kay & Todd have the best stock of clothing in Tillamook

#### A CARD.

We take this method of thanking the people of Tillamook County for the liberal patronage given us since opening our store here.

We have endeavored to please our customers by giving them the very best value for their money, and believe we have done so, from the fact they are daily sending others to us to trade, thus showing our best advertisement to be the goods we are selling.

We care little for the loud talk of our would-be competitors, but are willing to leave it to the good judgement of the people of Tillamook to decide as to the quality and price of goods sold, and let them render the verdict. We will be satisfied with their decision, and still continue to furnish you with the very best in our line for the money.

They have the largest stock to select from  
They carry the best stock of Underwear  
They handle the finest line of Hats  
They keep the best stock of shoes  
They have the newest stock  
They keep latest styles  
They sell more goods  
They sell cheaper

They do business in their own name  
They sell just what they advertise  
They buy the best quality of goods to be had  
They do not handle cheap John auction goods.

We guarantee our goods just as we represent them, or your money refunded.  
These facts should be carefully considered; a business house with this record can be trusted.  
In fact the goods they sell, give better satisfaction, last longer, and fit better than goods bought elsewhere for the same money.

Remember the Place, Alderman Building Tillamook.

## KAY & TODD,

## Clothiers and Furnishers

Tillamook, Oregon.

Wanted, county warrants at Cohn & Co.

WANTED—10 cords of spruce limbs—Theodore Steinlueber.

T. H. Goyne is now ready for business in his new office opposite the Court House and you may rest assured that any matters entrusted to his care will be well attended to. Besides his work as an attorney at law, he will draw deeds, mortgages etc., rent or sell houses and lands, or collect rents for you.

Judge Sappington informs us that there are two bands of China pheasants on his place, and he desires to have them left alone. The original birds from which these are descended were turned loose about two years ago, and now it seems that instead of having perished as was supposed, they have done well, and laid the foundation for a fine supply of this toothsome game-bird. Any one shooting any of these birds will be prosecuted to the full extent of the law.

Dr. Wise's appointments for this summer are as follows: From July 6th to July 30th, Tillamook; From Aug. 1st to Aug. 23rd, Nehalem; from Aug. 21st to remain in Tillamook as long as kept busy.

Mrs. R. R. Hays will open her Select School early in Sept. In addition to the common school branches taught, she will add a carefully selected and graded High School course of study. The Teachers' Course, of which individuals may take all the studies or only those in which each feels the need of instruction will be continued. A Primary Dept. will be added, if sufficient number of pupils be guaranteed to warrant the outlay for materials necessary for this work.

Mrs. Hays will have the assistance of an experienced and competent teacher which will enable her to continue the school successfully.

People who own fruit and berry orchards are complaining that a lot of boys are stealing and carrying away their fruit. It is perhaps unnecessary to remind these youngsters that in thus stealing the property of a person, they are laying themselves liable to the law and that should they continue their depredations they will probably have a taste of it. There comes a time occasionally when forbearance ceases to be a virtue and the people above referred to, think that time has come so far as regards the depredation of the boys referred to. The boys are all well known.

**"Howe" Provoking**  
Inability to remember names sometimes causes embarrassments. There is a Boston woman who cannot remember names; neither can her daughter. One day, according to the reporter of the story, they met a Mrs. Howe, and afterward told to each other, "Now, we shall be continually seeing her, so do let us try to recall her name."  
"I know what we can do," remarked the daughter. "Howe invented the sewing machine, didn't he? Well, just think of machines, and we'll be sure to get her name."  
The two ladies went to a five o'clock tea a few days afterward, and Mrs. Howe was there. Up sailed the mother, with her sweetest smile, and exclaimed, "My dear Mrs. Singer, how delighted I am to see you again!" Soon afterward the daughter appeared, and with equal charm of manner, exclaimed, "My dear Mrs. Witcox, how are you?"
