GATHERED BY OUR CORRESPONDENTS:

A Brief Glimpse at Last Weeks Happenings

BEAVER

The bridge over Mills creek, just completed, does honor to our county court, and Richard L. Hagg who built it. It is a great convenience to this part of the county.

On Monday and Tuesday of this week Ben Higginbotham was in this vicinity gathering up cattle. Ben is one of those cattle buyers that Beaverites are glad to see.

Judge Couder and family are camping here, and expect to remain during our camp meeting.

James Hughly, of Hoquarton Prairie, has come back to his Beaver ranch to remain, perhaps, for the fall and winter.

It is expected that Beaver will have the largest congregation at our camp-meeting Aug 5th (to last 10 days or more) that ever met hitherto in this county, to hear the Evangelists, Rev. Harter, of Oakland, and other able workers. This Monday, Aug. 2nd, they are coming and pitching their tents. Inside of one week from now it is expected that every neighborhood, town and village in Tillamook county will be represented on the camp grounds, also we hope to see a fair representation from Clatsop, Washington, Clackamas, Polk, and Marion counties. Through Mr. Mills, arrangements have been made to furnish pasture at 5cts per day, peas 10cts, string beans 10cts, potatoes 15 cts per peck. Other things in proportion. But everybody should bring their tents and bedding. You will find excellent camping ground, wood, water and learn hay for bedding free.

Rev. Buskey accompanied by his son, returned from Portland and brought with them a tabernacle in which our camp meeting will be held.

Rev. Dollarhide, of Bay City, will occupy the Free Methodist parsonage at this place, also preach on the circuit.

Emma

J. D. Chitwood and wife made a flying trip to Sheridan last week.

Elmer Jackson, of Salmon river, and Elvira Jackson, of Dallas, were visiting at Emma on Saturday.

The recent rain caught some hay out in the field.

Joe Altenberger took our school mistress, Miss Smith, home last Tuesday.

The Schiller boys have notices up that travel will be forbidden after Aug. 1st. We hope the road supervisor will immediately open the road on the survey. The settlers have helped to make the road from the beach to Mr. Schiller's house. It will be a great inconvenience to the people on Slab creek and Salmon river and the public in general to stop travel or have trouble. We hope the road will be opened for travel at once.

The Slanderous Tongue.

A whispered word from human lips Like a slimy snake through a fair field slips; A shrug or a glance, like a poisoned dart Aimed from behind a creature's heart.

The snake glides steadily on its way, And a laughing child is killed at play; The shrug and the glance have gained space And the light goes out of the fair young face.

Dead in her tracks falls the bounding hind, Slain by an arrow from behind; The whispered word gains force, and lo! A name is black that was white as snow.

Fall out the dart—does the hind awake? Does it bring back life, though you kill the snake?

Prove the tale false, yet the heart is wrong— Oh the curse of God on a slanderous tongue.

Town Council Meeting.

A regular meeting of the common council was held on Monday evening; present: councilmen Goodspeed, Thompson, Kunkin, and recorder Drew, and Marshal Clements.

The city attorney asked for further time on the preparation of the proposed license ordinance.

A Child's Recovery

FROM PARALYSIS AND SIX YEARS OF CONVULSIONS.

Little Fannie Adams, of Umatilla, Cured of a Dreadful Malady A Cure of Unusual Interest—A Reporter Investigates.

From the Lake Region, Exotic, Fla.

For some time past the Lake Region has been receiving reports from Umatilla, Fla., of an almost miraculous cure that had been effected in the case of Fannie Adams, daughter of A. J. Adams, of that place, and last Saturday a representative of this paper made a trip to Umatilla for the purpose of determining the authenticity of the same.

The family live a short distance from the village, where it was found that the people were cognizant of the cure which had been effected, and were rejoicing with the family in their new found happiness. The father, A. J. Adams, is a hard-working honest farmer from east Tennessee, and the family came to Florida four years ago in the hope that a change of climate would be of benefit to their afflicted child. Much of their earnings have gone for doctors' bills, whose services proved unavailing. The representative was greeted by Mrs. Adams, from whom he gained the story of her great trial.

Fannie, the youngest child, was born in east Tennessee, and was seven years old on the third day of February, 1897. When ten months old she was stricken with paralysis, which affected the entire left side. This stroke of paralysis was followed by convulsions, and from the time little Fannie was ten months old until February, 1897, there was not a single day or a night that she did not have spasms of the most distressing nature. Not a single convulsion, but always three or four, and sometimes as high as ten in one day.

The family was all broken down with care, and Mrs. Adams states that for one year she did not go into her kitchen to superintend her household work. All the fingers of the right hand of the little girl are enlarged and misshapen, caused by her biting them during the fearful suffering. The case baffled the skill of the best physicians, and they were frank to say that they could not determine the cause, or prescribe a remedy to aid the afflicted child.

But what a change now in that household; for little Fannie has recently been released from her six years of agony, which brings the light of happiness to the faces of the parents. In January, this year, Mrs. Adams, who had purchased some of Dr. Williams' Pink Pills for Pale People for her fourteen year old daughter, determined to try their effect upon little Fannie. After three or four doses, she noted an improvement and she then told the father what she had done. He at once went to the village and bought another box, and up to this time six boxes have been used. The first pills, Mrs. Adams states, were given in January, the latter part, and certainly not earlier than the fifth or twentieth, and the child had her last convulsion on February 2d, nearly three months ago. Her general condition has improved in every way, and it was not a month after the first pills were taken when she began to walk without assistance.

The pills were bought at the drug store of Dr. Shelton, in Umatilla. In answer to the question, did he, to his personal knowledge, know that the remedy had benefited Fannie Adams, as was stated by her parents, the doctor said that he was a regular practicing physician, and as such was loth to recommend any proprietary medicine, but still he was ready to do justice to all men, and he did know that Dr. Williams' Pink Pills for Pale People had benefited Fannie Adams, and also volunteered the information that he knew of other children in the village who had been benefited by their use.

Dr. Williams' Pink Pills for Pale People are sold by all dealers, or will be sent post paid on receipt of price, 50 cents a box, or six boxes for \$2.50 (they are never sold in bulk or by the 100) by addressing Dr. Williams' Medicine Co., Schenectady, N. Y.

The body was recovered and taken to his home at Eugene Oregon for interment.

It is always gratifying to receive testimonials for Chamberlain's Colic, Cholera and Diarrhoea Remedy, and when the endorsement is from a physician it is especially so. "There is no more satisfactory or effective remedy than Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Dr. R. E. Robey, physician and pharmacist, of Olney, Mo.; and as he has used the remedy in his own family and sold it in his drug store for six years, he should certainly know. For sale by S. J. Sturgeon.
