ANNOUNCEMENT

Dr. Darrin the Eminent Specialist Will Visit Astoria.

Will Be in this City From August 18 to September 18.

There is a physician coming to Astoria not simply a medical practitioner, but a scientist, one whose years of close study, close observation, close practical experience, has enabled him to draw not only testimonials, but the highest personal endorsements from the leading men of the country—congressmen, judges, etc.—and whose success in the medical field is today without a parallel. This refers to Dr. Darrin, late from Portland, who will have offices at the Occident hotel.

Dr. Darrin has an enviable rank in his profession as a wonderfully successful physician. He is essentially original in his methods of practice, and those who have been under his treatment are surprised at the newness and novelty of his system of practice by electricity. His honest and straightforward advice before taking a case has won for him the confidence of his patients as well as the general public. The doctor is a gentleman of genial, social nature, and his private practice is marked by the formation of a personal friendship with those with whom he comes in profession al contact. He is without doubt one of the most thoroughly qualified physicians now before the public, as his wonderful cures can testify. Read his cures:

Dr. Darrin makes a specialty of all the diseases of the eye, ear, nose, throat, catarrh, deafness, bronchitis, la grippe, consumption, heart or liver diseases.
