

GENERAL NEWS.

CLEANED FROM ALL OVER THE WORLD.

Conveyed in Short and Pithy Paragraphs.

KANSAS CITY, Sept. 8.—A special to the Times from Emporia, Kan., says: One of the worst wrecks in the history of the Santa Fe railroad occurred three miles east of here at 7:30 tonight. Ten or 11 persons were killed, and as many more were badly hurt.

EUREKA, Cal., Sept. 8.—The news by the steamer National City, from St. Michaels, corroborates all that has been said of the prospects of short rations in the gold diggings of the upper river during the winter.

Six thousand men in the mines about Dawson City is the estimate of Ralston, who came down with F. L. Leonard, of Nanaimo, and R. B. Lamb, of Portland. The supply of the necessities of life to feed these men, he says, is totally insufficient. In fact, he estimates that the stores will be exhausted before the winter is half over, when the famine will be on in earnest, especially as the number of men in the country will be greatly augmented by late arrivals over the passes.

NEW YORK, Sept. 8.—A World dispatch from London says: A panic is spreading through Ireland over the terrible prospect of the apparently complete failure of the harvest. Reports from 110 parish presidents from counties Clare, Cork, Kerry, Limerick, Tipperary, Antrim, Armagh, Cavan, Derry, Donegal, Down, Fermanagh, Monaghan and Tyrone all tell the same piteous story of ruined crops, impending destitution and famine. Blight has everywhere in whole or partly destroyed potatoes, white oats, which is the next most essential crop to an Irish farmer, have been baited down by incessant rains and practically destroyed.

PHYSICIANS BAFFLED.

Prof. R. S. Bowman, Instructor of Natural Science in Hartsville College, Cured of a Severe Illness by Dr. Williams' Pink Pills for Pale People after Physicians Failed.

PROF. R. S. BOWMAN.

Some time ago he had a severe illness which was cured almost miraculously. A reporter hearing of this, interviewed him regarding his experience. Prof. Bowman was in the midst of his work when the reporter called, but he cheerfully gave him a hearing.

"A year ago last fall," said the professor, "I broke down with nervous exhaustion, and was unable to properly attend to my duties. I tried different physicians but with no relief, and also used many different pre-

paratory medicines, spending almost fifty dollars for these medicines alone. I then succumbed to a siege of the grip in the middle of winter, and was left in a much worse condition. My kidneys were fearfully disordered, and my digestion became very poor. I was indeed in a bad condition.

"A minister in a conference learning of my condition advised me to try Dr. Williams' Pink Pills for Pale People. I had heard much about the wonderful curative powers of this medicine, but it was with reluctance that I was finally persuaded to try it, as it seemed that nothing could do me any good. However, I procured three boxes of pills and took them strictly according to directions. By the time the last dose was taken I was almost cured, and in better health than I had been for years. I continued using the pills while longer and was entirely cured. I can cheerfully recommend Dr. Williams' Pink Pills for Pale People."

Such was Professor Bowman's wonderful story which was further endorsed by the following affidavit:

HARTSVILLE, Ind., March 16, 1897. I affirm that the above accords with the facts in my case.

R. S. BOWMAN. Subscribed and sworn to before me this 16th day of March, 1897.

LYMAN J. SCUDDER, Notary Public, STATE OF INDIANA.

Dr. Williams' Pink Pills for Pale People contain all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are sold in boxes (never in loose form, by the dozen or hundred) at 50 cents a box, or six boxes for \$2.50, and may be had of all druggists or directly by mail from Dr. Williams' Medicine Company, Schenectady, N. Y.

WILL STAY WITH US

A Rush of Business Causes Dr. Darrin to Postpone Leaving Until October 1st.

Dr. Darrin, the eminent physician and specialist, at the request of many friends and the great interest shown by the suffering and afflicted, has consented to stay with us until October 1. The truly wonderful cures he has accomplished are being testified to by a host of afflicted sufferers who can be seen and consulted on the miraculous cures in their behalf. It is safe to say that no specialist has attained the prominence of Dr. Darrin in this country, and he cannot help but meet with grand success.

Those who are disposed to doubt Dr. Darrin's cures, will have their doubts shaken on reading a card from Mrs. Captain M. D. Staples of Astoria and Mr. Clark E. Gardner of Portland. Mr. Gardner is a man well and favorably known to all our readers, he having resided in Stella, Oregon, for a long time. His case will go far to establish the skill of Dr. Darrin now stopping at the Occident Hotel, Astoria, and Mrs. Staples is known to all.

MRS. STAPLES' CARD. Astoria, Oregon, Sept. 6. Mr. Editor—I hold it to be a duty to tell what Dr. Darrin has done for my boy. For a long time he has been badly afflicted with a disagreeable catarrh and

loss of appetite. Dr. Darrin has so far cured him that we can see no traces of either complaint.

Mrs. M. D. Staples. MR. CLARK E. GARDNER'S CARD. Mr. Editor—I notice by your paper that Dr. Darrin has arrived in Astoria. I wish to state to the public what he did for my daughter eight years ago. For a long time she had been sorely afflicted with lung trouble, general debility, neuralgia of the heart and side. We considered her case hopeless, and as a last resort took her to Portland and placed her under Dr. Darrin's electric treatment. She at once commenced to improve and in a few weeks was perfectly cured, and remained so to this day. My wife was also successfully treated for heart trouble. I will be glad to answer any questions, and can be seen in Portland, where I have resided for the past nine months.

CLARK E. GARDNER. Dr. Darrin makes a specialty of all diseases of the eye, ear, nose, throat, catarrh, deafness, bronchitis, la grippe, consumption, dyspepsia, constipation, heart, liver and kidney diseases. He permanently cures all diseases of the genito-urinary organs in either sex. All peculiar female troubles are confidentially treated, as well as acute, chronic, private and nervous diseases, in men or women of whatever nature it is. No cases taken if not.

Most cases can be treated at home after one visit to the doctor's office. All business relations with Dr. Darrin are strictly confidential.

EVERYBODY

Living in Tillamook County or who has property located here wants a First Class County Paper

A paper containing all the county news, and in every way in touch with all the varied industries and interests of the county. Such a paper is that is the

Headlight

The Headlight is the oldest paper published in the county, and has done more to advertise the county and call attention to all its various resources and interest capital in its development than all other newspapers combined. It has never failed to do all in its power for the good of the county. In return for this the people of the county have bestowed upon it a most generous patronage. The Headlight has today

Double the Sworn Circulation

Of any other newspaper in the county. And all this is spite of the fact that other papers have been given away for nothing in order to lessen the Headlight's circulation. The Headlight does not need to beg people to take it or plead for a chance to enter their homes as a special favor as a premium given for something else. It is a legitimate newspaper, and it

Stands on its Own Merit

The Headlight has every week nearly twice as much home news as any other paper published in the county. It is all home print. It has a fine staff of correspondents. It covers the entire county. It has a fine standing everywhere. It belongs to no clique. It is able and up to date. It is also the

County Official Paper

It was so designated last February by the County Commissioners, who at that time passed the following order: In the matter of selecting a newspaper under the provisions of an act of the Legislature approved Feb. 21st 1897.

"On the 21 day of February, 1897, the being a day of the regular term of this court for January 1897, this cause continued to this time for filing of proofs by the newspapers containing herein, copies on to be heard and the publisher of the Tillamook Headlight having duly filed a certificate of its bona fide yearly subscribers living in this county, and no other publisher having so filed such list, and the Herald Publishing Co. having appeared by its attorney W. L. Brooks, and expressly waived the filing of such list or further contest herein it is hereby ordered that the Tillamook Headlight be and he is selected as the newspaper published in Tillamook County, Oregon, having the largest circulation within said county and wherein shall be published the proceedings of the court as required by the provisions of an act of the Legislature of the State of Oregon, approved Feb. 21, 1897."

The City Official Paper

and publishes all the proceedings of the City Council, all ordinances and all official notices. It may save you lots of trouble and expense to know what the ordinances are and to keep informed on official matters. The Headlight has the reputation of being one of the

Best Local Papers in Oregon

and it spares no pains nor expense to keep up its reputation. We have just put in a water motor to run our press, and have now one of the most complete country offices in the state. The Headlight also has the

Finest Job Printing

office west of Portland. We have all the appliances needed and there is nothing in the line of job printing that we cannot do just as well as you can get it done in Portland. We have no competition in this county in job work as no other office is prepared to do good work.

Our Work Tells

for itself. Cease and see it and you will be convinced.
