A Woman's Strong Constitution Wrecked. Effects of a Treacherous Disease. A Wonderful Case.

From the Bulletin, Monroe, La. Mrs. Stephen Robbins is the wife of a prominent farmer living on a large and well-kept plantation just at the edge of Monroe, La. They have resided in this community but two years, having moved here from Illinois. The change was made for the benefit of Mrs. Robbins' health, her physicians having advised her that it was the only hope of her ever regaining her lost health. "Three years ago this last winter," said Mrs. Robbins, "I was very sick with that most treacherous disease, the grippe. I had a very severe time with it, but was able to get out after being confined to my home several weeks. I think I went out too soon, for I immediately contracted a cold and had a relapse, which is a common occurrence with that disease. For several more weeks I was confined to the house; and after this I did not fully recover until recently. I was able to get out again, but I was quite a different woman. "My former strong constitution was wrecked, and I was a dwindling mass of skin and bones. My blood was thin and I had grown pale and sallow. My lungs were so affected that I thought I was going into consumption. During my illness I had lost thirty pounds in weight. I tried to regain my strength and former good health by trying different medicines and physicians, but nothing seemed to help me. My appetite was gone, and when I ate the food it would not stay in my stomach. "The only thing my physician said for me to do was to take a change of climate, and on his advice I came here. At first I seemed benefited, but to my sorrow it proved to be only temporary, and in a few months I was in my former condition. The color had left my cheeks, I had no energy, and life was a misery. I had become a burden to myself and family. Finally I happened to read in a newspaper of how Dr. Williams' Pink Pills for Pale People had effected a miraculous cure with the same disease which a neighbor of mine had in Illinois. "On the strength of this testimonial I decided at once to give the medicine a trial. I accordingly sent for a box of Dr. Williams' Pink Pills for Pale People, and gave the pills a thorough trial. I did not notice any change till I had tried the second box. I was discouraged a little with the result of the first box, but knowing that I should not expect a sudden cure of such a chronic case as mine, I tried the second box with the result that I immediately began getting better. I used five boxes of these pills and was completely cured, as you see me to-day, weighing more than ever before. "As evidence of the truthfulness of her story Mrs. Robbins volunteered to make the following sworn statement: "I hereby affirm that the above statement is every word exact and true. "MRS. STEPHEN ROBBINS. "Monroe, La., March 2, 1897. "Subscribed and sworn to before me, a Notary Public in and for the Parish of Winn, State of Louisiana, this 23rd day of March, 1897. AMOS R. JESSUP, Notary Public. "Dr. Williams' Pink Pills for Pale People contain, in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effect of a gripple, palpitation of the heart, pale and sallow complexion, all forms of weakness either in male or female. Pink Pills are sold by all dealers, or will be sent postpaid on receipt of price, 50 cents a box, or six boxes for \$2.50 they are never sold in bulk or by the 100; by addressing Dr. Williams' Medicine Company, Schenectady, N. EVERYBODY

Living in Tillamook County or who has property located here wants a First Class County Paper

A paper containing all the county news, and in every way in touch with all the varied industries and interests of the county. Such a paper is that is the

Headlight

The Headlight is the oldest paper published in the county, and has done more to advertise the county and call attention to all its various resources and interest capital in its development than all other newspapers combined. It has never failed to do all in its power for the good of the county. In return for this the people of the county have bestowed upon it a most generous patronage. The Headlight has today

Double the Sworn Circulation

Of any other newspaper in the county. And all this in spite of the fact that other papers have been given away for nothing in order to lessen the Headlight's circulation. The Headlight does not need to beg people to take it or plead for a chance to enter their homes as a special favor as a premium given for something else. It is a legitimate newspaper, and it

Stands on its Own Merit

The Headlight has every week nearly twice as much news as any other paper published in the county. It is all home print. It has a fine staff of correspondents. It covers the entire county. It has a fine standing everywhere. It belongs to no clique. It is broad and progressive. It is able and up to date. It is also the

County Official Paper

It was so designated last February by the County Commissioners, who at that time passed the following order:

In the matter of selecting a newspaper under the provisions of an act of the Legislature approved Feb. 21st 1897.

"On the 21st day of February, 1897, being a day of the regular term of this court for January 1897, this cause continued to its time for filing of proofs by the newspapers contending herein, comes on to be heard and the members of the Tillamook Headlight having duly filed a certificate of its bona fide yearly subscription in this county, and no other publisher having so filed such list, and the Herald Publishing Co. having appeared by its attorney W. L. Brooks and expressly waived the filing of such list or further contest herein it is hereby ordered that the Tillamook Headlight be and hereby is declared as the newspaper published in Tillamook County, Oregon, having the largest circulation within said county and wherein shall be published the proceedings of the court as required by the provisions of an act of the Legislature of the State of Oregon, approved Feb. 21, 1897."

Any other paper claiming to be the County Official paper does so without shadow of truth or authority. No other publishes all the county official matter. The Headlight is also

The City Official Paper

and publishes all the proceedings of the City Council, all ordinances on all official notices. It may save you lots of trouble and expense to know what the ordinances are and to keep informed on official matters. The Headlight has the reputation of being one of the
