

GREAT DISCOUNT SALE! IS STILL ON

We are not discounting our prices, as we are selling goods on a very small margin, but we are discounting the prices of others and will still sell

Clothing, Hats, Shoes and Furnishing Goods.

at lower prices, quality considered, than you can get elsewhere.

If it is a sin to be the cause of reducing the price of clothing in Tillamook then we must plead guilty.

The fact that we are daily selling people clothing who had formerly bought their clothing outside of Tillamook County must mean something; either we are selling goods that they have been unable to buy elsewhere, or we are selling at lower prices, or a better grade of goods for the same money. Does this need interpretation? We submit the case.

It does not seem possible that the table for eight people can be provided for ten dollars a week. But Mrs. Rorer, the most famous cook in America, says it can be done. She has tried it and knows. She proves her case in The Ladies' Home Journal for October. She gives 21 menus covering a week's meals, and gives practical directions by which any woman can make as attractive meals as Mrs. Rorer explains, for this small sum of ten dollars.

Don't think because you are sick and nothing seems to give you relief that you can't be cured. There must be a cure for you somewhere. If your doctor can't cure you, perhaps he has mistaken the cause. Anybody is liable to make a mistake sometimes. One in three of us suffer from indigestion, and one out of three dyspeptics doesn't know it. That is, he may know he is sick, but he blames it to something else. Indigestion is the cause of half of our dangerous diseases. Shaker's Digestive Cordial, made from tonic medicinal roots and herbs, is the most natural cure for indigestion. It relieves the symptoms and cures the disease gently, naturally, efficiently, giving fresh life, strength and health to sick dyspeptics. At druggists. A trial bottle for 10 cents.
