

GREAT DISCOUNT SALE! IS STILL ON

We are not discounting our prices, as we are selling goods on a very small margin, but we are discounting the prices of others and will still sell

Clothing, Hats, Shoes and Furnishing Goods.

at lower prices, quality considered, than you can get elsewhere.

If it is a sin to be the cause of reducing the price of clothing in Tillamook then we must plead guilty.

The fact that we are daily selling people clothing who had formerly bought their clothing outside of Tillamook County must mean something; either we are selling goods that they have been unable to buy elsewhere, or we are selling at lower prices, or a better grade of goods for the same money. Does this need interpretation? We submit the case.

A pain in the chest is nature's warning that pneumonia is threatened. Dampen a piece of flannel with Chamberlain's Pain Balm and bind over the seat of pain, and another on the back between the shoulders, and prompt relief will follow. For sale by S. J. Sturgeon.

A few weeks ago the editor was taken with a very severe cold that caused him to be in a most miserable condition. It was undoubtedly a bad case of la grippe and recognizing it as dangerous he took immediate steps to bring about a speedy cure. From the advertisement of Chamberlain's Cough Remedy and the many recommendations therein, we concluded to make a first trial of the medicine. To say that it was satisfactory in its results is putting it very mildly, indeed. It acted like magic and the result was a speedy and permanent cure. We have no hesitation in recommending this excellent Cough Remedy to anyone afflicted with a cough or cold in any form.—The Banner of Liberty, Libertytown, Maryland. The 25 and 50 cent sizes for sale by S. J. Sturgeon.

Caring for the Teeth. Do not eat or do not feed your children on white bread, which is deficient in phosphates, and causes the teeth to crumble. A little hard food requiring thorough mastication should be taken at every meal. The teeth should be brushed both morning and evening. Avoid sweets. Drink at least two quarts of water a day—a glass the first thing in the morning, another the last thing before going to bed, the remaining quantity between meals. Consult a dentist about every six months.—October Ladies' Home Journal.
