

GREAT DISCOUNT SALE! IS STILL ON

We are not discounting our prices, as we are selling goods on a very small margin, but we are discounting the prices of others and will still sell

Clothing, Hats, Shoes and Furnishing Goods.

at lower prices, quality considered, than you can get elsewhere.

If it is a sin to be the cause of reducing the price of clothing in Tillamook then we must plead guilty.

The fact that we are daily selling people clothing who had formerly bought their clothing outside of Tillamook County must mean something; either we are selling goods that they have been unable to buy elsewhere, or we are selling at lower prices, or a better grade of goods for the same money. Does this need interpretation? We submit the case.

SAN FRANCISCO, Oct. 13.—Special correspondence of the Call from Alaska, brought by the Corwin, conveys the news that it is proposed to establish a new territory known as Lincoln, out of a northwest portion of Alaska. Its boundaries have not yet been fully decided upon, but it will include the Yukon river country and extend north to the Arctic ocean. The scheme meets with the approval of the North American Transportation & Trading Company, the officers of which recently held a conference on the matter with Senator Carter and several other United States officials. The new town of Weare, situated on the Yukon river, about half way between Dawson City and St. Michaels, has been chosen for the capital of the proposed territory.

"I have never had day's sickness in my life," said the middle-aged man the other day.

"What a comfort it would be," sighs some poor invalid, "to be in his place for a year or two." Yet half of the invalids we see might be just as healthy as he, if they would only take proper care of themselves, eat proper food—and digest it.

It's so strange that such simple things are overlooked by those who want health.

Food makes health.

It makes strength—and strength wards off sickness. The man who had never been sick was strong because he always digested his food, and you could become the same by helping your stomach to work as well as his. Shaker Digestive Cordial will help your stomach and will make you strong and healthy by making the food you eat make you fat.

This medicine can always be depended upon for colic, cholera morbus, dysentery and diarrhoea. It is pleasant to take and never fails to effect a cure. 25 and 50 cent sizes for sale by S. J.
