Mrs Tuttle has returned from a visit to Portland.

A few weeks ago the editor was taken with a very severe cold that caused him to be in a most miserable condition. It was undoubtedly a bad case of a gripe and recognizing it as dangerous he took immediate steps to bring about a speedy cure. From the advertisement of Chamberlain's Cough Remedy and the many recommendations therein, we concluded to make a first trial of the medicine. To say that it was satisfactory in its results is putting it very mildly, indeed. It acted like magic and the result was a speedy and permanent cure. We have no hesitation in recommending this excellent Cough Remedy to anyone afflicted with a cough or cold in any form.—The Banner of Liberty, Libertytown, Maryland. The 25 and 50 cent sizes for sale by S. J. Sturgeon.
