

"The worst cold I ever had in my life was cured by Chamberlain's Cough Remedy," writes W. H. Norton, of Sutter Creek, Cal. "This cold left me with a cough and I was expectorating all the time. The Remedy cured me, and I want all my friends when troubled with a cough or cold to use it, for it will do them good." Sold by S. J. Sturgeon.

The Blake McFall Company, dealers in all kinds of paper, have established an agency in this city with Mr. Bowman of the HEADLIGHT in charge. The company imports and handles everything in the paper line, such as book, news, writing and wrapping papers, card stock, straw and binders board, roofing, building and deadening papers, patent machine made paper bags, Manila, straw and carpet papers—in fact everything in the paper line. A complete set of samples can be seen at the HEADLIGHT office, and prices given that defy competition. Call and see samples of paper before buying elsewhere.

Ourselves and Others.

Pleasant thoughts and feelings of every kind that come to us are far too often buried in the oblivion of silence. The seed which if planted in the hearts and lives of those around us would bring forth rich harvests of happiness is carelessly thrown away. Such impressions should be regarded as a kind of trust for all those who can participate in them. If we have any bright thought, any hopeful outlook, any joyful experience, any loving emotion, let us hasten to share and diffuse it. If any ray of sunshine has penetrated our hearts or lives, let us gladly shed it on the pathway of others.—New York Ledger.

His Can Opener.

At a dinner given by the Authors' club of New York city to Richard Henry Stoddard, ex-Judge Henry E. Howland, president of the Century club, told this story of the guest of honor: "Stoddard was opening a can of tomatoes one night, sounds that came from the kitchen convinced Mrs. Stoddard that her husband was not accomplishing his task without a struggle. Finally she called to him, 'What are you doing, dear?' 'Opening this can of tomatoes,' came the rather gruff answer. 'What are you opening it with?' 'With a knife.' 'Did you think I was using my teeth?' 'Not at all, dear,' came the answer. 'I thought from your language you were opening it with prayer.'"

A Daughter Saved.

WONDERFUL RECOVERY OF MISS HATTIE KING.

Stricken to the Bed and upon the Verge of Insanity—She Finds a Remedy when Hopes had Almost Fled—The Best Physicians Failed to do Anything for Her.

From the *Ithaca, Ithaca, N. Y.*

Miss Hattie King, of 94 Humboldt Street, Ithaca, N. Y., who was recently so ill that little hope was entertained of her recovery, has entirely regained her health. Her case is one of unusual interest. Following is substantially the language of her stepfather, Chas. M. Burnett, corroborated by that of the mother, in speaking to a reporter of the *Ithaca*:

MISS HATTIE KING.

"Hattie is now seventeen years old. A year ago last August she began to complain of dizziness, which became gradually worse. She suffered excessive nausea and attacks of vomiting. There were days when she could keep little or nothing on her stomach. She also was troubled with kidney disease. Her blood was so thin that the drop or two drawn by the prick of a needle was almost as colorless as water. She had trouble with her heart and often fainted from the slightest exertion, so upon rising from bed, or from a chair.

"Another bad symptom was a cough, which was so unremitting that it was the general opinion of our friends that she was consumptive. She lost flesh rapidly. Sometimes she would be confined to the bed for two or three weeks, then be around again, but only to suffer a relapse.
 "She was not only a physical wreck, but her mind was affected, and at times she had no realization of what she was doing. We feared, in fact, a complete mental overthrow and consequent removal to an asylum, for although we had two of the best physicians in the city, and had tried several proprietary medicines, none benefited her.
 "We had read considerable about Dr. Williams' Pink Pills for Pale People, and had also heard of some cases where they had done good and we decided to give them a trial. We purchased some at the drug store of White & Burdick, of this city.
 "Hattie began to take the pills in the early part of January of this year. Improvement was noticeable after the first box had been taken. The first hopeful sign that I noticed was that she did not complain of headache. The attacks of dizziness also began to abate in frequency, and she ceased to cough. One after another, the distressing symptoms left her. She took, in all, nine boxes of the pills. At the present time she is in perfect health. The alteration in her mind and body is almost past belief.
 "I cannot say enough in praise of Dr. Williams' Pink Pills, for they saved the life of our daughter."

To Cure Constipation Forever.
 Take Cascarets Candy Cathartic. 50c or 25c. If C. C. C. fail to cure, druggists refund money.

The publishers of the HEADLIGHT have satisfied themselves that the people of Tillamook county do not want the brief rehash of general news that appears on "patent outside newspapers" but the resume of news that we have been able to give in the HEADLIGHT is not what is wanted. In order to meet the wishes of our subscribers we have made arrangements with the two leading family newspapers of the United States, the N. Y. Tribune and the Toledo Blade, whereby we are enabled to furnish either of those papers with the HEADLIGHT until Jan. 1st at an additional cost of only 25 cents. At the same time we have concluded to reduce the price of the HEADLIGHT until January 1st to one dollar per annum. You can therefore get the HEADLIGHT and the Blade or the N. Y. Tribune for only \$1.25. This will give you all the news of the entire world, and the best local paper for less than you have heretofore paid for the price of one. The HEADLIGHT will hereafter be entirely devoted to local news, and we will be able to give it at greater length and more of it than heretofore.

Notice to Fishermen
 It is a matter of common knowledge and general complaint that fishermen in this county are violating the fish and game laws by fishing with nets on Saturday evening after 6 o'clock and on Sunday. The law was intended to protect the fish and allow them an opportunity to get to their spawning grounds, and it is to the interest of fishermen specially to respect it. If the present disposition to violate the law continues I shall be compelled as an officer of the law in the exercise of my duty to take cognizance of such violation and bring the offenders to justice.
