HEADLIGHT X-RAYS

Peter Wise has returned to Tillamook from a long visit to Portland and valley points.

Miss Nellie Bassey left on the Saturday evening's stage for her home in Heppner Oregon. Miss Bassey had been here for over a year, and made numerous friends all of whom regret her departure.

M. P. Dixon, Pastor of M. E. C. U. C., will preach a sermon next Sunday morning to the Grand Army of the Republic. Text—"With a great price obtained I this freedom."

Mr. Shanahan returned to Tillamook from Portland on Sunday evening, bringing with him the materials for a bowling alley. He has leased a strip of ground and will begin the erection of a building immediately. The building will be about 20 x 30 in size and the alley will be equipped with the latest improvements.

We produce on another page of this issue the first of what may be a series of political cartoons. The plate from which the cartoon is printed was made in our own office and is, we think, the first plate of the kind ever made in Tillamook. The *Illustrator* proposes to keep up with the times in all things.

Money to loan.

Alfred Williams left on the stage Monday afternoon for San Francisco.

Miss Rosa Werts has accepted a position in the HEADLIGHT office.

Pastor, Archie R. Griggs will hold regular services at the Bay City Presbyterian Church at 11 A. M. and at Tillamook at 7.30 P. M.

The final proof notices of E. C. Werner of Dolph and Edward Evans of Tillamook appear in this issue.

Mr. A. M. Mecklen, Lieut. Gen. Organizer, for the Woodman of the World, will arrive on Sunday Nov. 14th. He will speak in the Woodman's Hall on Monday night Nov. 15, 1897, Bay City on Tuesday Nov. 16, and Nehalem on Wednesday Nov. 17, 1897. All interested should not fail to attend.

Billy Martin, our champion sportsman, wears the broadest kind of a smile these days. It dates from last Friday morning and, when asked for the reason the unvariable answer is, "It is a boy." Billy was quite busy Thursday cleaning up a new gun for his son. The gun was choke-bored with a flexible rubber barrel and glass magazine and loaded with a pint of milk. Billy says the boy is already quite an expert in the use of the gun.

Tillamook, Or. Nov. 7 1897.

Veterans of the G. A. R.

You are cordially invited to attend the services held in the Methodist Episcopal Church Nov. 14 1897, at 11 o'clock. The services will be specially devoted to your most worthy order.

M. P. Dixon.

Persons who desire to witness a really fine entertainment will do well to attend Prof. Beggs' entertainment at the Opera House, on Friday evening. The Professor ranks as one of the best teachers of dancing and physical culture in the United States, and the work he has accomplished with the children and young people here is simply wonderful. Don't miss the entertainment.

Billy Martin's boy is doing quite well considering his youth and inexperience. Billy is authority for the statement that on Monday the youngster approached his father with, "Well old man, what do you say to lending me your gun and boat? I'd like to go to Kiches for a duck shoot." Billy says the boy is now down the bay enjoying his hunt.

Rev. Father Schell and Two Sisters Superior of the Order of St. Cecilia left here on Wednesday, the former for Portland on a short business trip, and the latter for their home at Scranton Penn. The Sisters now consider their school fully established here and a competent faculty was left in charge. Our people should feel proud of the St. Alphonsus Academy and give it a generous patronage.

Prof. Beggs will give, on next Friday night, a novel exhibition with his children's class at the Opera House, at 8 o'clock. The entertainment will consist of physical culture, delicate poses, manual training, and fancy dances such as hoop-pipes, jigs, minuets, drills and marches, also an exhibition of the latest round and square, ballroom and parlour dances and deportment. This part will cost only 25 cents for each an every one. After the exhibition there will be a grand ball for the visitors and spectators.

Horse for sale—call at HEADLIGHT office.

A fine line of childrens caps just from the east at La Moite Millinery Parlors.

The HEADLIGHT office has recently been so crowded with job work that some have been obliged to wait on their work. Additional help has now been secured and we shall be able to catch up with our work soon.

Nels Thompson has a fine lot of new furniture on the way from Portland. Don't fail to go and see it when it comes.

What on earth do we mean by Lisk? Well, go and see Tuttle and he will tell you.

Take the Louise for all points on the bay.

This office is under obligations to J. E. Tuttle for one of Lisk's celebrated anti-rust tips. Between the "devil" the lye brush and salt sea breeze a tin pail usually has a short life of it in a Tillamook printing office but Tuttle's tips bid fair to survive for many moons.

The election returns from the different states, is on the whole quite satisfactory to the Republican party. The legislature of New York state is republican, as also are the legislatures of New Jersey, Ohio, Kansas and Maryland. Kentucky unfortunately went democratic, and Nebraska by a very much reduced majority stays in the fusionist ranks.

On Tuesday of this week James Messner a son of Philip Messner, the stage route proprietor and mail contractor, was arrested on a warrant drawn up and sworn to by the District Attorney, and charging him with "over driving, over working and over loading stage-horses". The statute under which the action was brought is a statute "for the prevention of cruelty to animals". The prime-mover in the whole affair was Mrs. Thayer whose sympathy with all misery and suffering whether in human beings or dumb brutes is well known to all her friends. Some time ago Mr. and Mrs. Thayer wrote a friendly letter to Mr. Philip Messner protesting against what they considered the abuse of the horses in question and received in return a polite(?) note advising them to attend to their own business. The action against James Messner was dismissed on the ground that he was not the owner of the horses in question but merely the agent of his father. The horses are, without doubt very poor and are in marked contrast with the fine horses used on Forest Grove line. Mr. and Mrs. Thayer voice the general sentiment of the community.

Teachers examination this week.

Organ for sale, or exchange for shingles.

Look out for Cohn's new ad. next week.

See Tuttle's new ad. of Lisk's tinware this week.

Jones Bros. livery stable is all in position and going ahead in business as usual.

Word comes from Mr. Selph, that Mrs. Selph is much improved in health.

Real estate transfers next week.

If you want a good county paper take the HEADLIGHT.

Silks for evening waists at Mrs. Surrgeon's.

The dancing club gave a pleasant dance on Saturday evening. Jennie Jenkins and his sister furnished excellent music.

Prof. Beggs the accomplished teacher of dancing, will start in with a new class next week.

Hon. Dan Bowers has the thanks of this office for a fine specimen of winter radish. The root is coal black, two feet long and 18 inches in circumference. We haven't had the courage to tackle it yet and shall keep it for the "piece de resistance" to be served at the next banquet of the Liars Club.

Fred Shomberg and family left on Monday for their home in Washington County. In their departure, Tillamook County loses one of its very best citizens. Mr. Shomberg has done much to advance the dairying interests of this county. The HEADLIGHT wishes him well wherever he goes, and congratulates our neighboring county on securing as a resident one of the best dairymen in the state.

The chief liar of the Liars club was away hunting this week and hence the regular meeting of the club was not held. At the end of three days he had killed two ducks. Orders were sent up yesterday for a half ton more grub and ammunition. We present instead of the Liars Club a communication from a member who writes from Milpites Cal. under caption, "He Wants to Know."

Food undigested, is poison. Digested, it is life and strength. Millions of us suffer from indigestion, but we often don't know it. We think it is something else. Even doctors often mistake the symptoms.

Pale, thin people, who are overworked, who need strength, who seem in want of proper food, should take Shaker's Digestive Cordial. Its astonishing what food will do when properly digested. It will make you strong, revive you, refresh you, sustain you, make you fat, restore your color, make muscle, brain fibre, courage, endurance, energy, increase your power to throw off disease and keep you healthy and happy.

Indigestion does just the opposite, but indigestion can be cured and prevented with Shaker's Digestive Cordial.

Sold by druggists. Trial bottle 10 cents.

Schilling's Best baking powder and tea are because they are money-back.
