A Daughter Saved.

WONDERFUL RECOVERY OF MISS HATTIE KING.

Stricken to the Bed and upon the Verge of Insanity—She Finds a Remedy when Hope had Almost Fled—The Best Physicians Failed to do Anything for Her.

From the Ithaca, Ithaca, N. Y.

Miss Hattie King, of 94 Humboldt Street, Ithaca, N. Y., who was recently so ill that little hope was entertained of her recovery, has entirely regained her health.

MISS HATTIE KING.

"Hattie is now seventeen years old. A year ago last August she began to complain of dizziness, which became gradually worse. She suffered excessive nausea and attacks of vomiting. There were days when she could keep little or nothing on her stomach. She also was troubled with kidney disease. Her blood was so thin that the drop or two drawn by the prick of a needle was almost as colorless as water. She had trouble with her heart and often fainted from the slightest exertion, as upon rising from bed, or from a chair.

"Another bad symptom was a cough, which was so unrelenting that it was the general opinion of our friends that she was consumptive. She lost flesh rapidly. Sometimes she would be confined to the bed for two or three weeks, then be around again, but only to suffer a relapse.

"She was not only a physical wreck, but her mind was affected, and at times she had no realization of what she was doing. We feared, in fact, a complete mental overthrow and consequent removal to an asylum, for although we had two of the best physicians in the city, and had tried several proprietary medicines, none benefited her.

"We had read considerable about Dr. Williams' Pink Pills for Pale People, and had also heard of some cases where they had done good and we decided to give them a trial. We purchased some at the drug store of White & Burdick, of this city.

"Hattie began to take the pills in the early part of January of this year. Improvement was noticeable after the first box had been taken. The first hopeful sign that I noticed was that she did not complain of headache. The attacks of dizziness also began to abate in frequency, and she ceased to cough. One after another, the distressing symptoms left her. She took, in all, nine boxes of the pills. At the present time she is in perfect health. The alteration in her mind and body is almost past belief.

"I cannot say enough in praise of Dr. Williams' Pink Pills, for they saved the life of our daughter."

(Signed) CHARLES M. BURNETT. Subscribed and sworn to before me May 24, 1907. C. R. WOLCOTT, Notary Public, In and for Tompkins County, N. Y. Dr. Williams' Pink Pills for Pale People are sold by all dealers, or will be sent post paid on receipt of price, 50 cents a box, or six boxes for \$2.50 (they are never sold in bulk or by the 100) by addressing Dr. Williams' Medicine Co., Schenectady, N. Y.

Notice to Fishermen

It is a matter of common knowledge and general complaint that fishermen in this county are violating the fish and game laws by fishing with nets on Saturday evening after 6 o'clock and on Sunday. The law was intended to protect the fish and allow them an opportunity to get to their spawning grounds, and it is to the interest of fishermen specially to respect it. If the present disposition to violate the law continues I shall be compelled as an officer of the law in the exercise of my duty to take cognizance of such violation and bring the offenders to justice. G. O. Nolan, Dep. Dist. Atty.
