Amid the cares of married life. In spite of toil and business strife, If you value your sweet wife,

Prove to her you don,t forget The bond of which your seal is set; She's of life's sweets the sweetest yet,

When days are dark and deeply blue, She has her troubles show her that your love is true,

Tell her so!

In former days you praised her style, And spent much care to win her smile; Tis just as well now worth your while Tell her so!

There was a time you thought it bliss To get the tayor of one kiss; A dozen now won't come amiss-

Tell her so! Your love for her is no mistake

You feel it, dreaming or awake. Don't conceal it. For her sake Tell her so! You'll never know what you have missed If you make love a game of whist;

Lips mean more than— to be kissed! Tell her so! Don't act, if she has passed her prime, As though to please her were a crime!

If e'er you loved her, now's the time. she'll return for each caress

A hundred fold of tenderness! Hearts like hers were made to bless Tell her so! You are hers, and hers alone;

Well you know she's all your own; Don't wait to "carve it on a stone"-Tell her so

Never let her heart grow cold; Richer beauties will unfold; She is worth her weight in gold! Tell her so!
