**GATHERED BY OUR CORRESPONDENTS  
A Brief Glimpse at Last Weeks  
Happenings**

**South Prairie.**

Peter Northberg rides in a new Mitchell "Georgia" wagon.

Mrs. Oscar Loomis will move to Kansas soon.

George and Stanley Lamb report rapid progress at the Monmouth Normal school. George is to graduate in June.

John Mills is employed as stenographer in the superintendent's office of the N. P. R. R. at Spokane, Wash.

Our neighbor Connor has sold out. Father Schell's immigration enterprises are all very well, but they are depriving us of some good citizens. May the newcomers prove equally as good.

Clay Daniels will probably move back to his ranch on the Nehalem in the spring, consequently the old Daniel farm on the prairie is for rent again.

**Sand Lake**

The young people propose to enjoy themselves, regardless of the weather. Three dances in three weeks.

Our mail carrier has a borrowed horse, his old trusty having snaggled his foot and is laid up.

H. Farmer is building a new bridge near Mrs. Roehnic's place.

L. A. Hoyt is trying to get his new house ready to move into. He is expecting his daughter home from Africa soon.

We note what your Beaver correspondent says about a trail from Beaver to Sand Lake, and perhaps there might be something done toward it. We would be glad to be brought within one hour walk of our Beaver neighbors, but we fail to see where we would derive any material benefit from it. We have an abundance of clams, crabs, cranberries and salmonberries, and we would be glad to share them with our neighbors. But we are so near and yet so far.

**Hebo**

A. C. Dimmic is nursing a lame leg, the result of being kicked by a horse.

The big Nestness Toll Road Co. have done some doing some substantial work

on their road this winter, corduroying and graveling.

Mrs. Charles Rty is somewhat improved in health and may soon entirely recover.

J. Lewallen came near losing a valuable cow one night last week by getting tangled in the rope with which she was tied.

The dance at A. Anderson's place was only a partial success, owing to the fact that almost everybody understood it to be an invitation party and as no one got an invitation, of course the crowd was limited.

Mr. Ed Johnson, who has been visiting his uncle T. J. Owens during the past summer and fall, has returned to his home at Vallejo California.

Old Boreas with his snowy robes is an unwelcome visitor in this community.

The literary society at this place bids fair to be a success, if its last meeting was any indication. The debating was good, and the programme was excellent.

Rev. Allen preached at Three River school house last Sunday, to a large audience.

**Oretown**

While out hunting last week, Mr. O. Nash met and killed a large, fat bear which was wandering around instead of being holed up as is usual at this time of the year. It was in excellent condition and the meat was fine.

Mr. Gardner's family have the measles.

Mr. and Mrs. Whiteman, who came up from Salmon River to spend the holidays have returned home.

On account of the open winter, cattle are still doing well on the range.

C. Christensen has been circulating a petition to have the bondsmen of Vincent Sutton relieved from further payment.

Mr. Luper is intending to purchase Mrs. Harvey's ranch.

**Nehalem**

Quite a pleasant change after the succession of storms prevailing for the past two months.

Geo. Pye and Theresa Croun have both gone to Tillamook to attend the Academy.

The new paper did not come out Friday as was promised, Ed Gervais says it was owing to the non-materialization of Madam Angelo's \$20.

As the time approaches for the payment of the Indian appropriation, the harpies may be seen whetting their bills, like vultures over a prospective feast. Lo and his money will soon be parted!

At the present time the Harrison is still here, loaded with salmon from both canneries, awaiting an opportunity to get out.

Quite a number of Nehalemites are talking of going to Klondike, and Dave Zaddach is already making preparations. He will go in company with his brother, who is captain of the "South Coast," running from San Francisco to Alaska ports.

Mr. Chas. Kentz of Tillamook was here the past week looking over the C. W. Alley place with a view to purchasing. Should he do so he will like it. It is a pity such a place should be allowed to remain unstocked, and uncared for.

**Blaine**

We are glad to know that Mr. Cady and family are well pleased with the Nestness County.

Messrs. Chapman, Dillow, and Smith made a trip to the hub on business last week.

Miss Fanny Smith closed her school and is at home recuperating. The pedagogue's lot is not always as desirable as one might wish.

Jno. Moon can be found at his post, slashing away, falling the brush in every direction.

Seth Moon is at present in California. Labor in that country is apparently more remunerative.

Frank Sweltzer was in from the outside world, attending to somebody else's business—namely that of E. Lynch.

The road between here and Tillamook is blocked with fallen timber.

Tillamook Co. we see by the last U. S. weather report enjoys the unique distinction of having more annual rainfall than any other county in the U. S. Well, one can have too much of a good thing.

There was a school meeting held at our schoolhouse on Jan. 8 to vote a tax for school purposes, seven legal voters were present, Mr. and Mrs. W. J. Smith, Bill Smith, and Frank Herrington voted against having a tax, Paul Hulie, M. R. and Mrs. J. F. Reeher voted for the tax, we therefore can only have a three months school next year. Most of the land in this district is held by speculators, and it would have cost each settler about ninety cents to have a nine months school.

We have had no cold weather here so far, our coldest days the mercury stood 26 degrees.

**Barnegat.**

E. A. Brooks, John McConnell, Mr. Neine and Miss Holloway went to the city one day last week.
