## EXPRESSION OF PUBLIC OPINION.

**But for which the Editor Does not Hold Himself Responsible**

☞ This department of the HEADLIGHT is devoted to communications received from the people and all are invited to contribute to it. The subjects treated must be subjects of general interest. Under no consideration whatever will anything of a personal nature be admitted.

**The School Book Question.**

Editor HEADLIGHT;

I was glad to see Mr. Letcher's article in regard to school books. It introduces a subject that ought to be discussed in every school district in the state, a subject which should be thoroughly understood.

The directors have no choice in the matter of school books. Probably there could not be a more shabby lot of cheap, inefficient, unworthy books than the law requires us to use.

The whole fault lies in the cupidity of the book publishers, and the dishonesty and venality of our members of the Legislature, and probably of many of the County School Superintendents. The great book concerns buy up the members of the State Legislature, like sheep at so much per head. School Superintendents are corrupted, and unless the people do something in practical protest, we will always be cursed with the cheapest, most inaccurate, flimsy set of books that can be foisted upon us.

The HEADLIGHT should take the trouble to get the law and explain it to the citizens of the County. When it is understood, perhaps all will join in something looking to practical reform.

A commission should be selected by the Governor, from among the best educators of the State, men who are beyond suspicion of bribery or corruption.

This commission should, after mature deliberation, adopt a set of books for use throughout the State. Such a commission could and probably would avail themselves of the advice of all teachers of experience, and note in this State and elsewhere.

Any proposition emanating from one of these theiving book concerns should be spurned, and any member of the Legislature who yields to their bribes, should be ostracised by the entire community, damned to political and social death.

The Shakers of Mount Lebanon, a community of simple, honest God-fearing men and women, have prepared the Shaker Digestive Cordial for many years, and it is always the same, simple honest, curative medicine that has helped to make the Shakers the healthy, long-lived people that they are. The Shakers never have indigestion. This is partly owing to their simple mode of life, partly to the wonderful properties of Shaker Digestive Cordial. Indigestion is caused by the stomach glands not supplying enough digestive juice. Shaker Digestive Cordial what's wanting. Shaker Digestive Cordial invigorates the stomach and all its glands so that after awhile they don't need help. As evidence of the honesty of Shaker Digestive Cordial, the formula is printed on every bottle. Sold by druggists, price 10 cents to $1.00 per bottle.

## HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours: a sediment settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evident of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfils every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention HEADLIGHT and send your address to Dr. Kilmer & Co. Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

"My daughter, when recovering from an attack of fever, was a great sufferer from pain in the back and hips," writes Londen Grover, of Sardis, Ky. "After using quite a number of remedies without any benefit she tried one bottle of Chamberlain's Pain Balm, and it has given entire relief." Chamberlain's Pain Balm is also a certain cure for rheumatism. Sold by S.J. Sturgeon.
