HEADLIGHT X-RAYS

W. J. May Esq. returned on Thursday from a short trip to Portland.

Wm. Olsen keeps the finest smoked salmon that we have ever tasted, cured by himself.

D. Billings and James Atkinson, from Sandlake, were in town last week on business.

When you want hosiery, umbrellas and stationery the place to get them is at the Racket Store

Miss Ida High, who has been attending school at Monmouth Oregon, returned on the stage on Thursday to her home in Tillamook County.

P. McIntosh, Wm. Olsen, Dwight Edmunds, Geo. Cohn and P. W. Todd have been appointed by Governor Lord as a committee to solicit aid for the suffering Cubans.

R. M. Watson, editor of the Nehalem Republican, was in town the latter part of last week, and made the HEADLIGHT office a pleasant call. Mr Watson is a newspaper man of many years experience, whom it is a pleasure to meet.

Chas. P. of Nehalem, was in town last week on business and incidentally called at the HEADLIGHT office. While here he attended the meeting of the Pomona Grange, of which he is a member.

The Steamer Harrison left here on Friday for Astoria. Her departure was so sudden and unexpected that several passengers from this place got left behind.

"Charlie, your father is calling you." Charlie: Yes I hear him. But he is calling "Charlie." I don't need to go till he yells "Charles."

A little girl who had told a lie was escorted to her bed room by her mother and told to ask God to forgive her for her sin. This is what the listening mother heard: "Oh, God, I thought you could take a joke."

Little Gladys, whose father was accustomed to express himself as "up in G" when he felt well and happy, closed her prayer by saying: "Dear Lord, please my keep dear papa 'up in G'."

"According to the Herald where would the HEADLIGHT 'get off' if the Lord bill should become a law."—Ocean Wave.

Go right on attending to its own business and publishing the news whilst other so-called newspapers spend their time slandering their neighbors. See?

Willie Smith was playing with the Jones boys. His mother called him and said: "Willie don't you know those Jones boys are bad boys for you to play with?" "Yes, mamma," replied Willie "I know that but; but don't you know I am a good boy for them to play with?"

The HEADLIGHT has just added a Bates Automatic Numbering machine to its other printing machinery. The machine numbers consecutively, or in duplicate, to 9999 and enables us to do all kinds of checks, warrants, receipts, stock books, raffle tickets, etc., in fact all kinds of work that requires numbering. There is no work in the printing line that can not be done, and well done at this office.

Oscar Campbell and his Comedy Company gave a show at Bay City on Tuesday evening and one at Nehalem on Wednesday evening.

J. E. Sibley is looking up some timber for the Truckee Lumber Company at Holstonville. Timber claims sold to that company are well placed and the county will get the benefit.

The steam tug Miami is rapidly nearing completion. It will be a handsome little boat and well adapted to towing and coast service.

Duck shooting still continues remarkably good. Billy Martin bagged 23 birds in an afternoon's shooting down at Goodspeeds, and lake hunters report tolerable fair success.

The resignation of C. P. Knudson from the city council is universally regretted. Mr. Knudson was president of the council and one of the most efficient members of the board.

The Steam Tug Miami made a trip down the bay yesterday with a number of friends aboard. The little boat made a very beautiful appearance as she steamed down the bay and every body was delighted with the trip.

Sid Anderson has the contract for hauling the stranded whistling buoy from the beach and setting it afloat at Garibaldi where it can be picked up by the steamer.

Dancing master Beggs shook the mud of Tillamook off of his nimble feet on Tuesday and betook himself to the benighted city of Forest Grove to teach the Universityites how to "jump-an-kick" after his own approved fashion.

Wedding bells rang merrily last Thursday evening, the occasion being the marriage of Clarence Tilden, the well known wood dealer and teamster and Miss Carrir L. Brooks of this city. Both parties are well and favorable known here and the HEADLIGHT joins with their many friends in wishing them all possible success and prosperity.

We do not know what steps will be taken by the Cuban relief committee appointed for this County by Governor Lord, but would respectfully suggest that perhaps more might be done by getting up an entertainment than in any other way. Surely there is no one who would not be glad to contribute something toward so worthy a cause.

Attorney E. E. Selph expects to leave shortly for Southern California, where he will join his family and for the present remain. The ill health of Mrs. Selph makes that step necessary, and it is hoped that under the sunny skies and in the dry atmosphere of that southern clime she may entirely recover her health. This community can ill afford to spare such people as Mr. and Mrs. Selph, but we trust that they may realize to the fullest extent their hopes and expectations and that, that far Southern Country may be as kind to them in friends and prosperity as old Tillamook.

Notice.

Notice is hereby given that there will be a meeting in the City of Tillamook, on Saturday March 6th, 1898 at 1 o'clock P. M. for the purpose of electing representatives to the State Grange for the ensuing year. Each subordinate Grange is entitled to three delegates to said convention.

Mr. Bixby the Beaver Merchant was in town on Wednesday.

Picture frames of all sizes and descriptions at the Racket Store.

W. S. Runyan, well known here, died at Dundas, Ill about two weeks ago.

Billy Martin shot a very peculiar duck last Sunday. It was evidently a cross between a Mallard and a Sprig.

Prof. Chas Newman organized a dancing class at Woods on Tuesday evening. Mr. Newman is a graduate of Prof Beggs class.

Prof. Curt Bowers is organizing dancing classes in Tillamook and at Fairview. Mr. Bowers is a graduate under Prof. Beggs.

The firm of Brown and Durfee of the Red Shoe Store has been dissolved and Mr. Brown will continue the business on his own account. Mr. Brown is an old experienced merchant and shoe-maker and people who favor him with their trade will be well treated.

Joseph M. and Louie Level will shortly leave for Puget Sound and from thence for the Klondike gold fields. An uncle of the Levels is building a steam schooner at Seattle, and it is now nearly completed and will sail in the near future. They will go on that ship, and propose bringing it back loaded down with gold. The HEADLIGHT trusts their expectations may be realized.

The Negro Minstrel performance at the Opera house last Saturday evening, drew a very fair audience, considering the weather and gave good satisfaction. The show was under the management of Oscar Campbell, who has had a number of years experience on the stage and is a comedian of no mean order. Messrs Reynolds and Sinder have also had considerable experience as shown by their performance on the stage. All the rest of the boys are new beginners and as such did quite well. The best part of of the show was the roaring farce, "Boy Wanted." The entire performance was liberally applauded and enjoyed by our people. At the dance which followed the performance everybody had a good time. The public will be pleased to hear the boys again at some future time.

A Pleasant Meeting.

A very pleasant meeting of Tillamook Lodge, A. F. & A. M. was held last Saturday evening. After the regular work of the lodge, addresses were made by several members of the lodge. After closing the lodge the brethren adjourned to the Allen House where a delicious lunch was served, after which speech making was the order of the hour. The lunch was spread in honor of Brothers Selph and Knudson who expect shortly to leave us for other parts. Many expressions of good will toward the departing brothers, were offered and much regret expressed at their going away.

Amongst those making addresses were Messrs. Selph, Cooper, Eddy, Bowman, T. B. and Geo. Handley, Nolan, Goyne, and others. The lodge is starting out prosperously under the efficient control of T. B. Handley, W. M. and bids fair to have a prosperous year.
