The New York Times tells of a little girl who rebuked her brother for laughing at a man with a crooked nose who passed the house. "You mustn't do that," she said. "God made him that way."
"Why do you s'pose he did it?" asked the small boy, with interest.
"Oh, I don't know," responded the little sister, indifferently. "People do funny things."

"For five weeks I lived on cold water, so to speak," writes a man who suffered terribly from indigestion.

He could hardly keep anything on his stomach. What stayed wasn't properly digested and gave him terrible pains. That is not an uncommon case. Digestives don't get enough nourishment. They are generally thin and weak. They may eat enough, but they don't digest enough. Much of what they eat turns into poison. If this keeps on there's no telling what disease they may get next.

That's why it is best to take Shaker Digestive Cordial, as soon as symptoms of indigestion appear. It cures all the evils of indigestion, and prevents the evils which indigestion causes.

Sold by druggists, price 10 cents to \$1.00 per bottle.

Looking for Flaws. Don't look for the flaws as you go on through life, and even when you find them it is wise and kind to be somewhat blind and look for the virtue behind them. For the cloudiest night has a hint of light somewhere in the shadows hiding; it is better by far to look for a star than the spots on the sun abiding. The current of life runs ever away to the bosom of God's great ocean; Don't set your force 'gainst the river's course, And think to alter its motion. Don't waste a curse on the universe— Don't shrink at the trials before you; Don't bunt at the storms with your puny form, But bend and let it go o'er you. The world will never adjust itself To suit your whims to the letter; Some things must go wrong your whole life long, And the sooner you know it the better. It is folly to fight with the infinite, And go under at last in the wrestle. The wisest man shapes into God's plan As the water shapes into a vessel.

On the morning of Feb. 20, 1895, I was sick with rheumatism, and lay in bed until May 21st, when I got a bottle of Chamberlain's Pain Balm. The first application of it relieved me almost entirely from the pain and the second afforded complete relief. In a short time I was able to be up and about again. A. T. Moreaux, Luverne, Minn. sold by S. J. Sturgeon.

It is, or should be, the highest aim of every merchant to please his customers; and that the wide awake drug firm of Meyers & Esdleman, Sterling Ill., is doing so, is proven by the following, from Mr. Esdleman: 'In my sixteen years' experience in the drug business I have never seen or sold or tried a medicine that gave as good satisfaction as Chamberlain's Colic, Cholera and Diarrhoea Remedy.' Sold by S. J. Sturgeon.
