So many misunderstandings arise constantly with reference to the date lines on the addresses of subscribers that we deem an explanation necessary. If after your name occurs, the following figures, Jan.1, 1899, it means that your subscription is paid to Jan 1 1899 In other words the date line indicates how far or up to what date the paper is paid for.

A Minister's Trials.

This narrative from a minister is of greatest value to those whose nerves are unstrung, health shattered or otherwise ailing. It is particularly appropriate in this age of active, nervous, endless labor.

We are living too fast. "Fast as lightning," expresses it, for we talk by electricity, cook by electricity, travel by electricity and so on.

Its a hurry, hurry, hurry from the cradle to the grave.

We crowd too much; crowd our work, crowd our eating, crowd our pleasure, crowd our sleeping.

A "breaking down of the nervous system" is the way of expressing the result.

It means a depleting of the nerves induced by prolonged strain; overtaxing of the nervous system; a product of overhurry and bustle.

It affects all people in all walks of life. It baffles physicians of all schools.

No one knows the horrors of such a condition better than Rev. J. N. McCready, of Elkton, Mich. For years he labored faithfully and well. He was progressive and aggressive; a leader among men, a deep thinker and a hard worker.

In his zeal, he overworked; overtaxed his mental and physical strength.

The outlook was dark, with health shattered and recovery apparently hopeless.

Many means for a cure were tried, without receiving benefit.

Finally he took Dr. Williams' Pink Pills for Pale People and was restored to health.

He says:

"In April, 1896, the physicians said I must stop preaching or die.

"I had overtaxed myself and was suffering from a complete breaking down of my nervous system and a persistent stomach trouble.

"Several physicians treated me, but no permanent benefit was derived.

"Four times I was stricken with nervous prostration; twice with gastritis.

"These attacks would throw me into spasms.

"I could eat neither meat or vegetables.

"If my bare feet touched the floor I was immediately seized with cramps.

"I was used up; helpless, hopeless.

"I commenced to take Dr. Williams' Pink Pills for Pale People. One box was consumed and I felt no better. This discouraged me.

"My wife urged me to try the pills some more, feeling that my life depended upon the result.

"I continued to take them.

"Since then, and it has been several months, I have enjoyed life.

"Have preached all summer and held revival meetings for fifteen weeks.

"I have had no muscular exercise for years, but recently, have done considerable hard work in my garden, my muscles standing this test remarkably well.

"Every Sabbath I preach three times and now think I am good for another twenty years, if the Lord wills."

To add weight to his words, Rev. McCready made affidavit before J. D. Brookes, Notary Public.

Dr. Williams' Pink Pills for Pale People exert a powerful influence in restoring wasted nerve power and in purifying and enriching the blood. Druggists consider them the most effective remedy which they dispense.

A man stands no chance of being elected to the mayorship of a city unless he enjoys the confidence and esteem of his neighbors Geo W Humphrey is the popular mayor of Swanton, Ohio, and under date of Jan 17, 1896, he writes as follows: "This is to certify to our appreciation of Chamberlain's Cough Remedy. A Reluctant Complaint.

The Denver Times tells of a school boy in that city who has written a letter to the School Board which shows that the average American youth can see a point before he sits down on it. He says: "Mr. Director— My sister, who is the school teacher, whips me every day. Pa and ma told her to whip me ofther than she did the others so they wouldn't think she was partial. I write to let you know this is too thin. She is an old maid and gets mad because she can't get married, and whenever she gets to feeling that way she larrups me. I hate to say such things about my sister, but it's so."

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours: a sediment settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evident of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfils every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention HEADLIGHT and send your address to Dr. Kilmer & Co Binghamton, N. Y.
